"Unrefined"

Artwork by Marina Beniaminov.

Unrefined is Marina Beniaminov's first solo show and features textured paintings inspired by landscapes and florals. Mostly made with palette knives, the work shapes paint into layered, white surfaces with occasional hints of metallic or iridescent color. Light moves across the texture, revealing gesture, process, and the beauty of natural imperfection.

View in-person at Aurora Town Hall in the Skylight Gallery. View online at www.aurora.ca/skylightgallery. All work is for sale. Please contact Sarah Reynolds at sreynolds@aurora.ca if you are interested in investing and owning a beautiful artwork piece.

All pieces are measured in inches.
