► From Town Staff – Parking Lot Update

Important Seniors Centre Parking Lot/Construction update:

The South parking lot is nearing completion, and we are anticipating reopening of the South lot the week of September 14 (date subject to Change).

Following the opening of the Lot work will continue in the Town Hall North Lot as well as the Reflection space in front of Town Hall.

During September/October further improvements will be made to the John West Way sidewalk, John West Way Road as well as the Seniors Centre's Roof which will result in some temporary disruptions with areas and access being fenced off for safety. Signage will be posted and up to date communication will be sent out.

See the latest update on the parking lot at <https://engageaurora.ca/townhallparking>

Thank you for your understanding and continued support during this important work.

See staff if you have any questions.

▶ ASA Board of Directors

I can't believe that we are heading into the last month of summer. We don't seem to get much of a fall season anymore, but let's hope that this year is an exception. It can be a really pleasant time. The parking lot project is coming along on schedule, and we expect completion by mid-September. I am going to be interested to see the new design which gives us thirteen more parking spaces. Please continue to be mindful of parking in designated areas only. I know of a couple of vehicles ticketed for parking too close to the fire hydrant on John West Way. You need at least ten feet of clearance on either side of the hydrant. There is additional construction planned for John West Way, but the Centre will remain open throughout. This work won't begin until the parking lot is completed. Thank you all for your patience during the construction.

The Men's Shed program celebrated its third anniversary in August. In addition to our twice weekly meetings, we now go on walks, play bocce, golf, and have attended a couple of Blue Jay games. We have had recent inquiries about activity fees for ASA programs. Members participating in an ASA programs are expected to pay \$1.00. This is a daily fee which allows the member to attend multiple programs on the same day. There are options on how to pay:

1. Drop a loonie in the box at reception when you check in.
2. Buy a 12-visit card for \$10.
3. Buy a gold card for \$100 which gives you access for the calendar year. This option has grown in popularity because of convenience, and it can save money depending on how often you come to the Centre.

Activity fees are an important source of revenue for the Centre. Last year they amounted to \$31,454.00 or 14% of our total revenue. The fees contribute towards our annual lease/partnership agreement with the Town which amounts to just over \$53,000.00 annually, and to the purchase of program supplies for ASA activities.

Note: this does not include programs run by the Town which have a separate fee structure.

In a previous note, I outlined the committees the ASA has which help to guide decisions of the Board. They are Fund-raising, Special Events, Operations and Activities, Seniors' Affairs, Grants and Donations, By-law, Membership and Volunteers and our newly formed IT committee. Members are welcome to attend meetings as non-voting guests. We will be providing details on where and when the various committees meet. Please feel free to join us.

The Centre will be back in full swing very soon and we look forward to a great fall with our new parking lot.

Glen Sharp – ASA President

KNITTING MOSAIC & SLIP STITCH

Age: 55+ years Location: ASC

A current, popular trend is color knitting using 2 related knitting techniques, mosaic and slip stitch knitting. Both differ from stranded colour work where 2 or more colours are knit together in the same round or row. Mosaic and slip stitch are easier in that only one colour is knit at a time and designs are usually charted. Check patterns called Shift, Nightshift., Swell or Hearthstone Wrap on Ravelry to see interesting examples of these techniques. This class will focus on techniques with suggestions given for projects knitters might try. Supplies needed are 3 or 4 different colours of yarn, preferably the same weight, proper sized needles for your yarn and other usual knitting implement, scissors, stitch markers.

► Activity News

Men's Sheds Three Years, 50+ Men — and We are Still Growing!

Our Men's Shed recently celebrated its 3rd Anniversary — three years of friendship, laughter, activities, learning and good company. Three years ago, we were just a small handful of men huddled around a card table. Today, we're a thriving group of more than 50 members — and still growing!

We meet formally Mondays and Fridays, 9:30–11:00 a.m. at the ASA. Thursdays are more informal, with walks and bocce outdoors in warmer weather and carpet bowling indoors during the winter.

So, what makes the Men's Shed so popular?

The friendship? The laughter? The activities? Or simply having somewhere to go and good guys to enjoy it with?

There's only one way to find out! Gentlemen, come visit us. Have a coffee, meet the guys and see what we're all about.

Three years ago we had a card table and a handful of men. Today we have 50+ members. Come and find out what you've been missing!

Silver Stars Wednesdays & Mondays 3:30 – 5:00 p.m. & 9:30 – 12 p.m. first meeting is Sept 9

Our Drama Group is looking for new members! If you enjoy acting, laughing, meeting new people, and trying something different, we would love to have you join us. No experience needed, just enthusiasm and a willingness to have fun.

CRIBBAGE Wednesdays 1 – 3 p.m.

Did you play cribbage years ago?

If you want to refresh your skills or learn to play come at 12:30 p.m. Otherwise games start at 1:00 p.m. sharp.

LEARN TO PLAY BID EUCHRE Mondays 9 a.m.

No pressure! We will teach you the fundamentals of the game

FUN NIGHT Friday 7 – 9 p.m.

Fun night is exactly what it is **"FUN"**. We play games, mostly with cards, all easy and fun. We will teach you.

QUILT & SEW Friday 9 – 3 p.m.

Do you have a sewing project you haven't finished? Come join us, we have the equipment! Please note; you do not have to stay the whole day. Come & see what we do!

SPECIAL EVENTS COMMITTEE is excited to bring you a variety of fun and memorable events over the coming months!

We would like to thank everyone who attended the Ice Cream Social on Wednesday, August 19. It was a fun afternoon. Everyone had a great time.

Put your thinking caps on and join us for an entertaining Trivia Night on October 16. Then, get ready to hit the dance floor as the Pacemaker Band takes the stage on Friday, November 27, from 7:00–9:30 p.m. for an evening filled with music, dancing, and great company.

We will wrap up the year in style on December 31 as we say goodbye to 2026 and welcome 2027 at our New Year's Eve Lunch.

We can't wait to celebrate with you and hope to see you at these exciting events!

► Library News

Our library email address is asalibrary@auroraseniors.ca Please send us a note, drop by the library or drop a note in the return box if you have any questions.

Biography/Memoir and Sports

We have amalgamated the Biography/Memoir and Sport sections to free up space for General Fiction (now five shelves). The new Biography/Memoir and Sports section is located on the bottom shelf of the two book cases next to the clock.

Monthly Special

The special book promotion for this month remains **Domestic Thrillers**. These domestic suspense novels typically take place in a family or neighbourhood setting, focusing on character development and relationships. Who will disrupt the seemingly perfect family's life??? Drop in and check them out!

Recent Promotions

Great news. We have just been made aware of a member of the Seniors Centre who is a published author. **Gina X. Grant** has written a series of murder mysteries. A number of these books have **"Unlikely"** as a part of the title. One of the chief characters is Agatha Shadwell. Gina was kind enough to donate a series of six novels. Her books are well written and now available in the Mystery section. We were reviewing our book collection and rediscovered the survival memoir by Seniors member **George Biondic**. It is **'the Search - Adventures of a Restless Soul'**. It includes stories of a solo bicycle ride from Toronto to Florida as well as a journey around the world. We have 2 copies.

Book and Jigsaw Puzzle Donations

We continue to accept book and puzzle donations (up to 1000 pieces). Please limit your donations to a small number at one time. Our members prefer thrillers, novels, biographies, and romance. Due to limited space, we cannot accept Cookbooks, Self Help, Dictionaries, Travel Books and Children's books.

Water Damage or Mould

Kindly examine your donations for mould and/or water damage. We do not shelve donations with this damage.

Large Print Book section

Just a reminder of the Large Print book section. There are 2 parts – Non-Fiction (mostly Biographies) and Fiction (Novels and Murder Mysteries). Many thanks to the Aurora Public Library for their generous donation.

Borrowing Books and Jigsaw Puzzles

The process is straight forward as there is no sign-out. You borrow the book(s)/puzzle(s) and then return them when you have finished.

We have noticed that some borrowers when introduced to a new author borrow all available copies of their books. **Please limit yourself to 2 copies of a single author or 2 puzzles**, thus leaving some for other borrowers. James Patterson is an exception to this limit.

General Administration

Please place your returns in the grey return box by the door. Leave them on the top of the box should they be too thick to fit through the slot.

▶ WOODCARVERS GROUP

Woodcarving Training Sessions for 2026 and 2027

The woodcarving training sessions will begin on Thursday September 17, at the ASC workshop starting at 1.30pm. The Thursday afternoon sessions will continue through to 2027.

There will be a change to the program this season to allow for more variety with the training applications. Each application will last for 4 weeks. There will be a small charge for each application to cover the cost of supplies. Participants will be required to purchase their own tools for working at home. The workshop has a limited number of tools for use at the workshop.

We will be available at the workshop on every

Thursday afternoon starting on August 20 to discuss the program and to give a small demonstration of the carving process. ASC members are welcome to join us on Thursday nights between 6.00pm and 9.00pm where you will be able to discuss the program with us. We would like your input regarding projects you would like to carve. Some of the more popular projects have been toys, TV characters, animals, Christmas ornaments, wood burning scenes, small construction projects.

We are open to your suggestions. The majority of our members have completed the course over the last 10
