Online Skylight Gallery Exhibition

Featured Artists: Marina Beniaminov - Unrefined

Unrefined is Marina Beniaminov's first solo show and features textured paintings inspired by landscapes and florals. Mostly made with palette knives, the work shapes paint into layered, white surfaces with occasional hints of metallic or iridescent color. Light moves across the texture, revealing gesture, process, and the beauty of natural imperfection. View online at **aurora.ca/SkylightGallery**. All work is for sale. Please contact Sarah Reynolds at **sreynolds@aurora.ca** if you are interested in investing and owning a beautiful piece of art.
