

I am Tyson Tame and I love Brandon.

I'm working hard at gaining consensus by visiting hundreds of you at the door. I'm through at least 80% of the Ward now after beginning my door knocking on July 27th.

I represent people for a living in my career as a real estate agent. I'm looking to use those same skills as a professional negotiator to forward YOUR issues and YOUR concerns and to effectively advocate on YOUR behalf to make sure YOUR voice is heard loud and clear in council chambers.

It would be an absolute honour and a privilege to begin representing the constituents of Ward 10 (Green Acres) as well as all Brandonites as YOUR city councillor on October 28th!

A Hometown Oath

Brandon is my home
I love it with my heart
It's not without some challenges
We all can play a part

Some pickup the garbage
The boys in blue protect
Everyone a role to play
A challenge I accept

Our downtown it has suffered
The unhoused live their life
The answers haven't surfaced yet
On how to quell the strife

Our infrastructure aging
Our dollars in demand
Petitioning our governments
To lend a helping hand

Safety being paramount
Cycling and walking too
Our paths must be connected
To see this challenge through

As we continue growing
The traffic's moving slow
The drainage in our city
It surely needs to flow

I have not all the answers
But I can lend a hand
I'm taking notes at all your doors
So I can understand

I plan to use my energy
My heart, my soul, my mind
To forward your initiatives
Solutions we must find

My passion serving others
True unto my core
I'll serve Ward 10 constituents
And Brandon all the more
