Why Are you Running for Council?

I was born and raised in Brandon, and I have dedicated my life to serving the neighbourhood I proudly call home. Since first being elected to Brandon City Council in 2018 (and 2022), I have worked hard to be an accessible, responsive, and effective advocate for residents and am thankful for the trust residents have placed in my leadership and commitment to our community.

My wife, Karol, and I are raising our two school-aged daughters in Brandon. Like many families, we care deeply about creating a safe, vibrant, and prosperous community for the next generation. My professional experience in media, public education, post-secondary education, and support for vulnerable individuals has helped shape my approach to leadership.

My priorities include improving drainage infrastructure, investing in parks and neighbourhood amenities, enhancing sidewalks and pathways, and ensuring routine infrastructure maintenance is completed efficiently. I also support growing Brandon's industrial and commercial tax base to attract investment, create jobs, and reduce pressure on residential taxpayers.

Community service has always been close to my heart. In addition to coaching and mentoring youth as a high-school football official, I currently serve as Chair of the Western Manitoba Centennial Auditorium Board and the Western Manitoba Regional Library Board, Co-Chair of both the Environment Committee and the Municipal Heritage Advisory Committee. I have also previously served as Vice-Chair of the Brandon Neighbourhood Renewal Corporation, Chair of the Art Gallery of Southwestern Manitoba Board, and Chair of the Downtown Development Group.

I'm excited about the potential of our community, and I hope you are too!
