

NAME: Mitesh Patel

EMAIL ADDRESS: patelforward10@gmail.com

OCCUPATION: Business Manager at Brandon Satellite Program in Max Rady College of Medicine & Rady Faculty of Health Sciences- UNIVERSITY OF MANITOBA

POSITION APPLIED FOR: Councillor – Ward 10

WHY ARE YOU RUNNING FOR CITY COUNCIL?

I am running for Council because Ward 10 is my home and I live here, where I started my family business, and a community I am proud to serve. I want to bring financial expertise, practical business experience, and accountable leadership to decisions that shape Brandon's future.

With over 10 years of combined experience in finance and budgeting, including business, commercial, and personal banking, I understand how financial decisions affect families, businesses, and communities. As a Business Manager at the University of Manitoba and a local business owner, I bring experience in managing resources, evaluating priorities, and balancing immediate needs with long-term goals even with limited resources.

I would apply that experience at City Hall by scrutinizing spending, asking questions, and supporting investments that deliver clear value for taxpayers. My priorities include reliable infrastructure, safe neighborhoods, strong essential services, and responsible growth. I believe effective representation begins with listening and continues through consistent communication. I would remain accessible, seek residents' input before major decisions, explain my votes, and report back on progress.

I am running to give Ward 10 a dedicated voice and a meaningful choice. My commitment is to earn your trust through hard work, informed decisions, and responsible stewardship of the public dollars entrusted to Council by residents
