WHY ARE YOU RUNNING FOR SCHOOL TRUSTEE?

I am running for Brandon School Division trustee because I believe students thrive when they feel safe, included, supported and connected. Especially when their families feel welcomed as partners in their education.

My years working directly in Brandon schools, along with my experience as a parent and now a trustee, have given me a close understanding of the realities students, families and staff face.

I want to continue bringing that practical, relationship entered perspective to the Board for a full four-year term.
