WHY ARE YOU RUNNING FOR COUNCIL?

Hi My name is Scott Pedlow. I am running for Councillor for Ward 9. I'm running for Brandon City Council because I care deeply about the community I call home. I was born and raised in ward 9 and have been a resident of the city for the last 58 years I believe I can make a positive contribution by bringing my experience, work ethic, and commitment to service to City Hall.

Throughout my career, I've learned that listening matters. As a former Manager of Customer Sales and Service at Westman Communications and as a small business owner, I understand the importance of treating people with respect, responding to concerns, solving problems, and being accountable for the work you do. I want to bring that same approach to City Council.

Some of my priorities is making sure Brandon is a clean, well-maintained, and safe city for all. I believe residents should be proud of their community. This does not just mean in Ward 9 but the city as a whole. This includes maintaining roads, sidewalks, green spaces and infrastructure we all depend on every day. I believe in transparency, so residents know how decisions are being made, how taxpayer dollars are being spent, and what their elected representatives are doing on their behalf.

I'm asking for your support to give me the opportunity to serve and represent the citizens of Brandon and work for its residents of ward nine every day.
