

Name: Greg Hildebrand

Address: 23 Queens Crescent

Email: GregForBrandonWard5@gmail.com

Phone: 204-720-0937

Occupation: Property Manager and former Funeral Director

Position Applied For: City Councillor, Ward 5

Background and Reasons for Running for City Council:

My wife, Candace, and I have called Ward 5 home since 2009. We raised our three children here, all attending Meadows School and Vincent Massey. Brandon has become much more than where we live—it is home. It is a community where we have built relationships, raised our family and invested in our future.

I'm running for re-election because I believe in Brandon and its tremendous potential. I want to continue working to make our community a great place to live, work, raise a family and build a future.

Since being elected in 2022, I have worked to be a practical vocal representative. I believe Council must listen to residents, be responsible with tax dollars, deliver basic services, improve infrastructure, and make thoughtful decisions about our city's future. I have advocated for safer crossings and standards for enhanced crosswalks, including the improvements planned for Richmond Avenue and 26th Street.

I am committed to common-sense decisions, tourism, reliable services such as road maintenance and garbage collection, and policies that attract business while reducing barriers and risk for developers and new investment. I also want to address situations where residents, such as condominium owners, may effectively pay twice for services like garbage collection.

Since the last election, I completed my MBA in Community Economic Development, strengthening my understanding of community development, strategic leadership and responsible growth. I want to bring that knowledge, along with my experience as a property manager, funeral director, business owner, and community member, to the Council table.

I'm proud to live here. I'm proud to serve here. I'm asking for your support to continue serving Ward 5 and building a stronger Brandon.
