POSITION APPLIED FOR: City Councillor, Ward 9

WHY ARE YOU RUNNING FOR COUNCIL?

I am running for City Council because I care about Brandon, Ward 9 and the East End, and I want to contribute to my community.

I grew up on a farm north of Basswood and attended school in Minnedosa before moving to Brandon to attend Assiniboine Community College. Brandon has been home for more than 40 years and, for over 25 years, I have called Ward 9 home. I understand that the issues facing Brandon as a whole are also felt by the people of the East End.

I spent 30 years with Prairie Mountain Health, beginning in Dietary, becoming a CSR technician and later working as a rehabilitation assistant in physiotherapy. I also served as a liaison between staff and management, gaining experience listening to different perspectives.

Volunteering has always been important to me. After retiring in 2015, I worked with Family Visions and later Super Thrift, where I still volunteer. More recently, I have helped at Crow's General Store with social media and serving ice cream, meeting tourists from around the world visiting Brandon.

I want Brandon to grow as a central service hub for the Westman region, while ensuring our city meets the needs of the people who call it home.
