

Trail and Shared Pathway Safety

- People on bikes are responsible for following these rules:
- Bicycles must have a working bell.
 - Bike riders must sound their bell before passing slower trail users.
 - Slow down when you approach slower users and pass on the left side; stay right except to pass.
 - Obey trail signs and park closures.
 - Do not bike or e-bike on or disturb trails that are less than 0.5 meters wide, as they are part of the natural landscape or wildlife routes.
 - Do not travel faster than 32km/h on e-bikes
 - E-bike riders must be 12 years or older.

Explore Camrose

The southern reaches of the city.

Urban Park System

Explore Camrose's amazing trails

Trail Loops

MIRROR LAKE SMALL LOOP

Distance: 700m
Time: 11 minutes

Start your journey at the parking lot by the Camrose Visitor Information Centre (7), the gazebo by the iconic church (5), or the Chuck MacLean Arts Centre (6). This short loop takes you across a small walking bridge and through some fragrant lilac bushes.

BULLRUSH PARK LOOP

Distance: 750m
Time: 10 minutes

Start and finish at the Royal Canadian Legion parking lot (29). From the east side of the parking lot, follow the trail north to the loop.

SOUTHWEST MEADOWS LOOP

Distance: 1.3km
Time: 20 minutes

Start anywhere along the Southwest Meadows Park and enjoy the walk past ball diamonds and one of the most fun playgrounds in Camrose.

JUBILEE PARK & FOUNTAIN LOOP

Distance: 1.8 km
Time: 27 minutes

You can start this loop either at Jubilee Park (9) or at the Chuck McLean Arts Centre (6). The first mini-loop goes around the fountain and the second goes through Jubilee Park which connect by a short crosswalk at 47 Ave.

MIRROR LAKE BIG LOOP

Distance: 2.2km
Time: 33 minutes

Start and finish at the Camrose Visitor Information Centre (7), the Mirror Lake Centre (3), or the Grand Drive Parking Lot (2). Walk in either direction and enjoy the scenery, wildlife, and calm waters.

FOUR SEASONS LOOP

Distance: 3.4 km
Time: 51 minutes

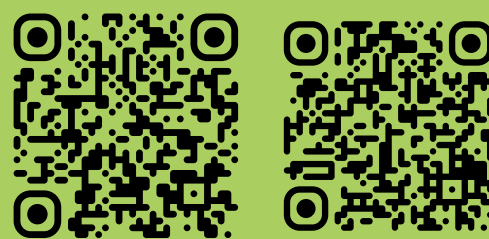

Start at the Four Seasons Rotary Parking Lot, walk in either direction (north or south) on the paved trails to complete this loop.

CREATE YOUR OWN

Key trail distances are noted for the paved trails on the map. Connect trails and find your own favourite route!

Tours & Itineraries

Explore this page to find more maps and guides to the region, including a number of self-guided itinerary ideas for our region.

More Details

The City of Camrose is a perfect balance of urban and rural environments. There is always something to do - from our many festivals, special events, attractions, and recreation and leisure opportunities. Camrose has it all! Explore facilities, events, and more all from this webpage.

About the Map

Explore the City by hiking, biking, and skiing along all the trails. Not only are the trails well-maintained year round, but there are exceptional sightseeing and wildlife waiting along the way! One side of the map has many points of interest identified including:

- Parking spots (marked in pink)
- Points of interest (blue)
- Educational facilities (dark blue)
- City Services (green)
- Places of Worship (grey)

This side of the map has more details about some of the key municipal facilities, parks, and points of interest along the way.

Trail Etiquette

PLEASE SHARE THE TRAILS

The trails were established for a wide variety of user groups. All users, including those accompanied by pets on leashes, should stay to the right of centre and use only half the width of the pathway. Ride single file, except when passing.

KEEP PATHWAYS CLEAR

Please move completely off the trail when stopping. There are benches provided for your convenience.

BE CAREFUL AT INTERSECTIONS

Slow down and look both ways and behind yourself before crossing road and trail intersections. Pedestrians always have the right of way.

BE SEEN AND HEARD

Ensure your visibility at night by wearing light-coloured clothing with reflective material. Outfit your bicycle with lights, reflectors and a bell.

WARN OTHERS WHEN PASSING

When approaching other cyclists or pedestrians from behind, shout out a friendly "hello" or "passing on your left." Alert, don't alarm. Sound your horn or bell early and use only half the width of the pathway. Do not pass on the right.

BE ALERT

Watch for hazardous conditions or vandalism and report to the City of Camrose. Be sure the trail ahead is clear of obstructions such as overhanging or fallen branches. Be aware of sharp bends in the trail, bridge crossings, intersections and hills.

KEEP YOUR TRAIL SYSTEM CLEAN

Garbage receptacles are provided throughout the park system. If you are walking pets, we ask that you kindly carry proper equipment to clean up. Bags are provided throughout the trail system.

USE PROTECTIVE EQUIPMENT

...where necessary. We recommend the use of helmets, bells or horns when bikes and inline skates are involved.

BE AWARE OF MAINTENANCE VEHICLES

No motorized vehicles unless authorized by the City of Camrose shall be permitted on the trail system.

WASHROOMS

Washrooms are located throughout our trail system. Your assistance to help keep these facilities clean is most appreciated.

VALLEYVIEW POND LOOP

Distance: 1.2 km
Time: 18 minutes

Start this walk at several points around the neighbourhood. A popular entry point is along Valleyview Drive. You can make longer loops by connecting to the trails south of Valleyview Drive that go into and along the top of the valley.

Biathlon/ Shooting Range

Bill Fowler Centre

This gorgeous location on Mirror Lake serves as the Visitor Information Centre and is a piece of art in itself. The Jim Marshall masterpiece depicts the plants and wildlife native to this area and is constructed from a special red brick developed specifically for this project. This particular red brick is now known as Mirror Lake Red.

Sledding Spots

The most popular sledding spots are in Mirror Lake Park (2), Jubilee Park (9), and by the Stoney Creek Centre in Stoney Creek Park (13).

Camrose Golf Course

The Camrose Golf Course is Central Alberta's family friendly golfing destination. Established in 1922, this 18-hole public course offers all the amenities required by both the recreational golfer and the golfer seeking additional challenges to their game.

Stoney Creek Park

Stoney Creek Park runs from 44 ave south to the city limits. This park is a hub for cross country skiing with groomed trails optimal for both skate and classic skiing in winter. The natural surface trails transform into multi-use trails great for trail running and biking in the summer. South of the ring road (hwy 13A) becomes an off-leash dog area in summer months. Bike specific trails and the biathlon range are at the southern-most part of Stoney Creek Park.

*The biathlon range is only accessible with a membership or if accompanying a member. The mountain biking trails are accessible without a membership.

Jubilee Park

Developed during Alberta's Jubilee celebrations, Jubilee Park is a popular gathering spot for families to recreate and enjoy the outdoors.

Jubilee Park hosts a playground, fully accessible outdoor workout gym, several picnic shelters, and a 9-hole disc golf course. This park meets Mirror Lake Park on the north at 48 Ave and Stoney Creek Park to the south at 44 Ave.

Rudy Swanson Park

This park is home to the Recreation Centre with indoor skating rinks, a fitness centre, curling rink, and the Mayer Aquatic Centre. The green spaces around the Recreation Centre host the soccer fields, baseball diamonds, tennis courts, beach volleyball, a football field, and a spray park. The shale walking trails connect to the skate park, Community Centre, and museum nearby.

Mirror Lake Park

Mirror Lake is the heart of historical Camrose and is a great place to go for a walk, enjoy an ice cream, and stop by the Visitor Information Centre. Paddle around Mirror Lake for the best seat in the house to observe ducks, geese, red winged blackbirds, and other wildlife. In wintertime, the lake hosts three skating rinks. Enjoy a social skating environment for learning to skate, playing shinny, or figure skating. Between the playground and popular walking paths, Mirror Lake Park is a vibrant, exciting place to be!
