In an alert area, you must remain prepared to evacuate should it be required. Residents will be given as much advance notice as possible prior to evacuation; however, you may receive limited notice due to changing conditions.

#### WHAT YOU SHOULD DO

- Fill your vehicle with gas before returning and keep tank full in case you need to leave again.
- Bring a minimum of three days of food and essential supplies (e.g. medications, pet supplies) with you as local grocery stores may not yet have adequate stock.
- Have a plan to transport all family members should the area be brought back under evacuation order
- Keep essential items readily available for a quick departure, including medications, eyeglasses, valuable papers (i.e. insurance), immediate care needs for dependents and, if you choose, keepsakes (photographs, etc).
- Ensure that any dependents or pets are prepared for departure.
- Ensure that you have accommodation options for your family, if possible. A Reception Centre will be made available again if required.
