Tuesday, September 29, 2026

Hello Broadway North families,

Thank you for your help with headshots and costume measurements. Both are now complete! Here are the updates for the coming weeks.

Next rehearsal: Saturday, October 3 at Carlton

Our October 3 rehearsal will be in the auditorium at Carlton Comprehensive High School. Please enter through the **main doors facing 28th Street**, not the CPAC doors.

There will be **no rehearsal on October 10** because of Thanksgiving.

An extra dance opportunity

We are adding one more featured dance number. Lioness and gazelle feature dancers, Scar, Young Simba and Young Nala are invited to stay until **4:45 p.m. on October 3, Nov 7 and 14**, if available. We know this is above and beyond the regular rehearsal commitment, so it is okay if your cast member cannot attend, we will work with who is available.

Costume help needed

We really do need extra hands to bring these beautiful costume designs to life and get them onto your children! If you or a family member have the sewing skills and time to help, please contact Harvey Anderson at harveydanderson@yahoo.ca **as soon as possible.**

Complimentary tickets

Each cast member will receive **two complimentary tickets**. Please arrange these directly through our box office, rather than online, and do so early while ticket availability is still good.

Come prepared each week

Please make sure your cast member brings a **pencil, script and water bottle**, and wears their **black jazz shoes** to every rehearsal. Reviewing choreography videos, music and lines between rehearsals also helps us make the most of our time together.

Please tell us about absences

We continue to have cast members miss rehearsal without any explanation. If your child will be absent, late or leaving early, please let us know in advance by emailing Kayleigh

at **kayleigh.skomorowski@gmail.com**, Emerald at **emeraldhill0222@gmail.com**, or Broadway North at **broadwaynorth@citypa.com**.

A reminder that after **three missed rehearsals**, a cast member may be removed from the production. After October 17, we move into review: all new material will have been introduced, and every minute of rehearsal will matter for your child's confidence onstage as well as their ensemble members.

Thank you for supporting your cast member and helping us bring *The Lion King Jr.* to life!

The Broadway North Team
