Names Requiring Verification

Name	Period/Conflict	Service No.	South Peace Community	Book of Remembrance	Book Page	Why Not Confirmed?	Next Steps for Verification
Lloyd Miller	First World War		Rolla			Local Rolla history clearly says he died in France in 1918, but precise service number/CVWM record remains unresolved.	Use LAC attestation/service records and CVWM to establish exact identity.
John G. 'Jack' Watson	Second World War		Bessborough			Local history and BC geographical naming confirm the casualty, but exact CVWM profile/service number has not been transcribed into this workbook.	Identify exact CVWM record and Book page.
Mr. Cameron (first Rolla teacher)	First World War		Rolla			South Peace history explicitly says he enlisted after teaching at Rolla and was killed, but gives no first name or service number.	Search BC Department of Education teacher appointment records for 1915, then match full name against CEF service files and CVWM.
Rudolf Etzler	Second World War		Tomslake / Tupper			Dawson Creek Legion Branch 141 / South Peace Historical Society explicitly lists him as KIA among the 46 Tomslake Sudeten volunteers. A 1939 refugee list places Rudolf Etzler, age 22, in the settlement cohort, but an exact VAC/LAC Canadian casualty record has not yet been matched.	Search alternate spellings, Canadianization of name, enlistment/service files, Tomslake/Tupper local records and Branch 141 archival material for service number/date/unit and Book of Remembrance entry.
Jim Cameron (West Saskatoon/Kilkerran	First World War / prewar settler		West Saskatoon / Kilkerran			South Peace Historical Society lists Jim Cameron among early bachelors of the district. No reliable evidence yet proves military service or wartime death. Sgt James Cameron 160496, 50th Battalion, is a plausible national casualty but no evidence currently links him to this local Jim Cameron.	Search homestead/land records, CEF attestation addresses, newspapers and family records; keep separate from A.W. Cameron.

Irvin Supernault	Second World War / unknown	Kelly Lake / South Peace	Separate Branch 141 memorial plate strongly suggests a local commemorative basis, but exact military identity remains unresolved under Supernault/Suprenant/Supernant/Surprenant variants.	Continue Métis genealogy, veteran lists, military files and newspapers.
A.W. Cameron — national identity	First World War	Rolla	Local eyewitness/history establishes Rolla teacher A.W. Cameron enlisted and was killed in WWI, but full name, service number, unit and CVWM identity remain unresolved.	BC Department of Education teacher appointment records + CEF matching.
Lloyd Miller — national identity	First World War	Rolla	Local family and Rolla history establish Lloyd as original settler and WWI death, but exact CEF service number/unit/Book entry remains unresolved.	Search Miller casualties by parents Lea/Lee H. Miller and Mary Lois Fey, Missouri birth ca.1891-92, Rolla/Pouce Coupe links.
Six Dawson Creek land claimants — parcel verification	First World War	Dawson Creek district	Branch 141 records pre-enlistment land filings for Van Petten, Battagel, Eckford, McCabe/Dennis, Haggerty and Johnson. Exact legal land descriptions and filing dates have not yet been recovered.	Search Dominion Lands/Peace River Block township registers and homestead entry files; include James Dennis alias for McCabe.
Frank Belcourt R/164031	Second World War	Peace River Area list — local basis unexplained	The new Peace River Area roll includes Frank Belcourt but itself gives home address Windsor, Ontario. VAC confirms Sgt Frank Belcourt R/164031, born/enlisted Windsor, parents at Windsor, and no South Peace connection in the national record. The roll also misprints his service number as R160431.	Do not count as South Peace war dead unless an independent local residence, family, Métis/Indigenous, land, employment or spouse connection is found. Search local newspapers/settler records and determine why compiler included him.
