

Information Guide and Application Form

Minor Variance

What is a Committee of Adjustment?

A Committee of Adjustment is appointed by Council and derives its jurisdiction from the *Planning Act*. The Committee hears applications for Minor Variances, as well as applications for Consent to Sever. When considering an application for a Minor Variance from the existing municipal Zoning By-law, the Committee must consider the following "four tests" as set out by the *Planning Act*:

- Whether the variance is minor; and
- Whether the variance is desirable for the appropriate development or use of land; and
- Whether the general intent and purpose of the Zoning By-law is maintained; and
- Whether the general intent and purpose of the Official Plan is maintained.

Discussion of the Proposal or Preconsultation

When an application for a Minor Variance is being considered, the applicant will make a pre-consultation appointment with planning staff to explain the proposed application. This will provide the applicant with procedural directions about processing the application as well as determining planning policies under which the application can be considered for approval. At this time, the applicant may obtain a copy of the application form.

Completion of Application

The application for a Minor Variance will then be completed by answering all required questions and preparing a comprehensive sketch detailing the requested relief in accordance with instructions provided on the application. A complete application must include a "Justification Report". If you are having someone act as your agent, a letter allowing them to act as your agent must accompany your completed application.

What is a Justification Report?

This is required for all applications. Depending upon the complexity of the proposal, these shall be prepared by the property owner or a qualified professional addressing the principles and objectives of the Official Plan and the Provincial Policy Statement, how the proposal meets the intent of the Zoning By-law and the details of the proposal clearly compared to existing provisions and proposed amendments. A summary of information on environmental issues and an engineer's reports may also be included or other matters depending on the proposal.

Submission of Application

The applicant will submit an original application together with a detailed sketch, justification report and the necessary application fee made payable to the Township of Georgian Bluffs. Each application must be signed in front of a Commissioner of Oaths and if signed by a Corporation, must have the corporate seal affixed. If signed by an agent, a written authorization from the owner must also be submitted.

Notice of Hearing and Signing of Property

Once an application has been filed with the appropriate fee, and has been reviewed and accepted by the Planner, a Notice of Public Hearing will be mailed by prepaid First Class Mail to the applicant and every owner of land within 60 metres of the subject site not less than ten (10) days prior to the date the application is scheduled to be heard. A Public Notice sign will also be posted on the property. A statutory declaration must be filed indicating that the sign was posted before the Committee proceeds to hear the application. Failure to do so may result in delays in the hearing of the application.

Hearing and Decision

The applicant or agent must attend the Hearing at the designated time and location and speak on behalf of the application answering any questions the members of the Committee of Adjustment may have. These **Public Hearings** are open to the public and any interested party can appear before the Committee to present their views, in support or opposition, to an application.

A written decision will be forwarded to the applicant within ten (10) days of the Hearing Decision. Any conditions imposed by the Committee form part of the Decision and must be met in a manner acceptable to the Committee before final certification.

Appealing a Decision of the Committee

Within twenty (20) days of the date of decision, any person may appeal the decision to the **Local Planning Appeal Tribunal (LPAT)** by filing a Notice of Appeal and the necessary fee with the Secretary-Treasurer for the Committee of Adjustment. This appeal must include the reasons for the appeal.

Making Presentations to the Committee

If you wish to appear at a Committee meeting to either support or oppose an application, there are rules to follow:

1. When you arrive at the Council chambers, consult the agenda and wait for the application you are interested in to be called by the Chairperson. **Note:** all presentations are limited to five minutes or less.
2. The first person to speak is the applicant/agent who will briefly explain the proposal and answer any questions from the Committee.
3. The Committee will then hear from any others who wish to speak for or against the application.
4. The applicant can then respond to the comments.
