1. Objective

The Request for Proposal (RFP) is an invitation by the Town of Goderich to qualified prospective Proponents to submit proposals for the design, fabrication, delivery and installation of a permanent Airmen’s Memorial in Bingham (Butterfly) Park. The purpose of this RFP is to secure a qualified artist, designer, sculptor, memorial fabricator, landscape/memorial design team, or other appropriately experienced Proponent to create a respectful and enduring memorial commemorating airmen associated with wartime loss over Lake Huron. The Town seeks a permanent commemorative work of high artistic, historical and civic merit that is suitable for public display and remembrance.

2. Background

Located on the eastern shore of Lake Huron at the mouth of the Maitland River, the Town of Goderich became incorporated in 1850 and is home to approximately 8,000 residents, according to the 2021 census. Often referred to as “Canada’s Prettiest Town”, the Town is comprised of lakefront and urban properties. The Municipality attracts many tourists each year, especially to the Town’s harbour and beach waterfront properties. The Town of Goderich owns, operates, and maintains approximately 59 facilities, including an airport, cemetery, water and wastewater facilities (operated by an Operating Authority), fire hall, recreation and administration facilities, parks and public works garages, childcare and medical centers, community and senior centers, as well as various public washrooms and pavilions located throughout the Municipality. The Municipality is governed by a seven-member Council, including a Mayor.

The Town in collaboration with the Town of Goderich are seeking the creation of a monument for the twenty-two (22) airmen who lost their lives over Lake Huron and have not yet been formally memorialized.

- honours the airmen in an appropriate and dignified manner;
- contributes to local remembrance and education;
- serves as a lasting civic landmark;

The memorial may take the form of a monument, sculptural work, interpretive memorial, integrated commemorative landscape feature, or other memorial form acceptable to the Town.

Any proprietary or confidential information contained in the proposal should be clearly identified.

7.13 Assignment of Agreement

By submitting a Proposal and participating in the process as outlined in this RFP, Proponents agree that no Agreement of any kind is formed under, or arises from, this RFP, prior to the signing of a formal written Agreement.

A written Agreement shall be executed by the Municipality and the Successful Proponent if the terms are mutually agreeable to all Parties. There is no guarantee that Goderich Town Council will enter into any Agreement.

It is mutually agreed and understood that the Proponent shall not assign, transfer, convey, sublet or otherwise dispose of the Contract, if one is awarded, or the right, title or interest therein, or power to execute such Contract, to any other person, firm, company or corporation without the previous written consent of the Municipality. Any Agreement resulting from this RFP shall be governed by and interpreted in accordance with the laws of the Province of Ontario.

7.14 Conflict Resolution

This Agreement is based upon mutual obligation of good faith and fair dealing between the parties in its performance and enforcement. Accordingly, both parties, with a commitment to honesty and integrity, agree to the following:

- a. That each will function within the laws and statutes that apply to its duties and responsibilities; that each will assist in the other's performance; that each will avoid hindering the other's performance; that each will work diligently to fulfil its obligations; and that each will cooperate in the common endeavour of the contract;
- b. Both parties to this Agreement shall attempt to resolve all claims, disputes and other matters in question arising out of or relating to this Agreement or breach thereof first

through negotiations between the Successful Proponent's representative and Town of Goderich staff and representatives by means of discussions built around mutual understanding and respect;

- c. Failing resolution by negotiations, all claims, disputes and other matters in question shall attempt to be resolved through mediation, under the guidance of a qualified mediator;
- d. Failing resolution by mediation, all claims, disputes and other matters in question shall be referred to arbitration;
- e. No person shall be appointed to act as mediator or arbitrator who is in any way interested, financially or otherwise, in the conduct of the work on the Project or in the business or other affairs of either the Town of Goderich or the Successful Proponent;
- f. The award of the arbitrator shall be final and binding upon the parties;
- g. The provisions of the Arbitration Act, 1991 S.O. 1991, Chapter 17 shall apply.

7.15 Finalizing Term

This RFP does not constitute an offer of any nature or kind whatsoever by the Town of Goderich to the Proponent.

This RFP will not constitute a binding Agreement but will only form the basis for the finalization of the terms upon which the Municipality and the Successful Proponent will enter into the contract documentation and does not mean that the Successful Proponent's Proposal is necessarily totally acceptable in the form submitted. After the selection of the Successful Proponent's Proposal, the Town has the right to negotiate with the Successful Proponent and, as part of that process, to negotiate changes, amendments or modifications to the Successful Proponent's Proposal without offering the other Proponents the right to amend their Proposals.

7.16 Cancellation

Nothing herein shall be construed as giving the Proponent the right to carry out the terms and requirements of the tasks contemplated under this RFP or the Agreement beyond the time when such services become unsatisfactory to the Town of Goderich. In the event that the Proponent shall be discharged before all the services contemplated hereunder have been completed, or the services are, for any reason, terminated, stopped or discontinued because of the inability of the Proponent to serve under this Agreement, the Proponent shall be paid for the goods and/or services that have been satisfactorily completed at the time of termination.

Should the Town or the Successful Proponent wish to terminate the Agreement, he/she shall provide written notice of the termination no less than ninety (90) days from the date of termination. Failure to maintain the required documentation during the term of the Agreement may result in suspension of the work activities and/or cancellation of the Contract.

7.17 Confidentiality

Material provided to the Proponent by the Town of Goderich must be kept confidential (unless already identified as public documents) including records and information relating to this work. All correspondence, documentation, and information provided by the Municipality to the Proponent in connection with this RFP, or the acceptance of any Proposal, remains the property of the Town of Goderich. All documents shall be subject to the Municipal Freedom of Information and Protection of Privacy Act (MFIPPA). Any documents and information provided to the Proponent by the Town shall not be used for any purpose other than for replying to this RFP, and for fulfillment of any related commitments.

7.18 Unenforceable Provisions

Should any provision of this document be deemed unenforceable by a court of law, all other provisions shall remain in effect.

7.19 Errors and Omissions

It is understood, acknowledged and agreed that while this Proposal includes specific requirements and specifications, and while the Municipality has used considerable efforts to ensure an accurate representation of information in this proposal, the information is not guaranteed by the Town of Goderich to be comprehensive or exhaustive. Nothing in the proposal is intended to relieve the Proponents from forming their own opinions and conclusions with respect to the matters addressed in the proposal. There will be no consideration of any claim, after submission of Proposals, that there is a misunderstanding with respect to the conditions imposed by the Proposal and/or Agreement.
