The Criminal Code of Canada states that tampering with the mail of an individual is a criminal offence and a person(s) found guilty is liable to a term of imprisonment not exceeding ten years.

Policy on the use of Corporate Resources for Election Purposes

Purpose:

This policy provides guidance on the appropriate use of corporate resources during municipal, school board, provincial and federal elections, and campaigns on a question on a ballot.

Legislative Authority:

The following legislative provisions are highlighted as they relate to this policy:

The Municipal Elections Act, 1996 s. 88.8 (4) states that municipalities cannot make a contribution (including money, goods and services) to a candidate. The Election Finances Act and the Canada Elections Act impose similar restrictions for provincial and federal election campaigns.

The Municipal Elections Act, 1996 also prohibits a candidate, or someone acting on the candidate's behalf, from accepting a contribution from a person who is not entitled to make a contribution. As a contribution may take the form of money, goods and services, any use of the Corporation's resources for an election campaign could be viewed as a contribution by the Town, which is a violation of the Municipal Elections Act, 1996.

Principles
