General Consultant Pediatrician

Headwaters Health Care Centre | Orangeville, Ontario

Position:	General Consultant Pediatrician
Organization:	Headwaters Health Care Centre
Location:	Orangeville, Ontario
Position type:	Part-time permanent or locum/temporary
Application deadline:	Until filled

Opportunity

As a pediatrician at Headwaters Health Care Centre, you would join a group of three full-time and two part-time pediatricians providing inpatient and outpatient care to infants and children.

Clinical Practice

The hospital-based component of the position includes managing the Level 1 nursery and pediatric ward, attending high-risk deliveries, and providing consultations to the Emergency Department. Call is home call within a 30-minute radius of the hospital.

Outpatient consultant work encompasses the full breadth of general pediatrics. Pediatricians provide a routine consultation clinic in the private office, an urgent consultation clinic at the hospital, and a newborn follow-up clinic at the hospital.

Regional Support

Headwaters is well supported by regional partners, with William Osler Health System approximately 30 minutes away and The Hospital for Sick Children approximately 60 minutes away. The professional environment at Headwaters Health Care Centre is welcoming and supportive.

Remuneration

Regular staff receive generous compensation through an Alternate Payment Plan consisting of a base salary, a percentage of billings, Hospital On-Call Coverage, pediatric stabilization funding, and a critical mass stipend. Locum compensation includes a base stipend, Hospital On-Call Coverage, and a percentage of billings.

How to Apply

Interested applicants are invited to contact:
