Lindsay Street South Reconstruction

Notice of Public Information Centre

Issued: October 21, 2026

The City of Kawartha Lakes is planning important infrastructure improvements to Lindsay Street South, between Glenelg Street and Russell Street. The project will involve a full reconstruction of the road, including the replacement of aging underground utilities such as the storm sewer, sanitary sewer, and watermain. Above ground, residents can expect new curb and gutter, upgraded sidewalks, updated signage, and a new asphalt surface upon completion.

The project is exempt from the requirements of the Environmental Assessment (Class EA) under the Amended Municipal Class Environmental Assessment, dated March 2023.

A Public Information Centre (PIC) will be held on November 23, 2026, in an informal drop-in format. Residents are encouraged to attend at any time during the event to review the proposed design and speak directly with members of the Project Team.

Public Information Centre:

Date: Monday, November 23, 2026

Time: 5:00 PM to 7:00 PM

Location: City Hall - Victoria Room

Address: 26 Francis Street, Lindsay

Comments can be submitted at the PIC, or using the online comment form, or by e-mail to the contacts below. Comments will be accepted until November 30, 2026, to be considered in the project.
