

~~KEVIN J.~~

Bonnie + Doug

I'm his secretary.

~~KEVIN T.~~

Anyway, we do a lot of green work, so we generally hate people who work in oil.

~~NICK~~

I just got the feeling that they hated me.

~~DIANE~~

Then they want to go into some old building that looks like a shed. Now, they'd heard it was a bar, but I wasn't going into a bar in the middle of the afternoon with these men I had just met.

~~NICK~~

And I think, I'll stay with Diane, you know, instead of the gay men who hate me.

~~THEY exit in opposite directions.~~

~~SCENE 22~~

~~#7C - Worth's Largest Refrigerator~~

~~In an airplane hangar, BONNIE is feeding animals as DOUG gets increasingly frustrated.~~

BONNIE

Doug's helping me feed the animals—and after security checks each plane—slow as cold molasses—we finally find eight dogs, nine cats—one of whom's epileptic—not to mention two rare Bonobo chimpanzees! And the female Bonobo is pregnant. We've got to get them off these planes! *(into the phone)* Hello? Is the Mayor there? It's Bonnie Harris again. Yes, I'll hold.

DOUG

Airport Authority was pretty clear about "No rare chimpanzees on Canadian soil."

BONNIE hands a bucket to DOUG.

BONNIE

Doug. Take that.

DOUG

—what is that?

BONNIE

It's rare chimpanzee shit. What do you think it is?

(into the phone)

Yes? The mayor! Yes! I'll hold!

DOUG

(finally losing his patience)

I've got to get back to Air Traffic Control!

BONNIE

Doug—look up! Do you see anything flying?

DOUG

I can't see across the friggin Atlantic!

BONNIE

Just get me more litter from the truck!

DOUG

Get your own litter!

DOUG exits.

BONNIE

Fine then! Goodbye!

(into the phone)

No! Not you! Hello? Hello?!

SCENE 23

~~CLAUDE enters, as the STAFF fires a barrage of questions at him.~~

ALL (EXCEPT CLAUDE)

~~(curiously)~~

~~Claude. Excuse me. Claude! Mister Mayor! Claude!~~

8 (STAFF)

~~Health Canada says all this food needs refrigeration, but we've got nowhere to store it—
none of the shelters are equipped for this!~~
