A. Introduction to the Hubs

People living in rural and remote communities in the County of Peterborough have historically had challenges accessing services they need. This challenge has often been a result of their inability to afford transportation, the lack of transit options, and the prohibitive cost for agencies to establish satellite locations outside the City of Peterborough.

To reduce these obstacles, service Hubs have been established across the Peterborough County. The purpose of these Hubs is to provide free office and meeting space for agencies who deliver services in Peterborough County to meet with clients and conduct rural outreach.

By making these offices available, the goal is to improve the ability for agencies to deliver services to people living in rural and remote locations. Agency staff can meet with clients in a private office and reduce the burden on clients to find transportation to the City of Peterborough.

This User Manual outlines the amenities, terms of use, and process of registering and accessing the Hubs.

These Hubs have been established through a partnership between the City of Peterborough, County of Peterborough, Community Care Peterborough, Agilec, and the Townships of Otonabee-South Monaghan, Douro-Dummer, Asphodel-Norwood, Havelock-Belmont-Methuen, North Kawartha, Selwyn, Trent Lakes, and Cavan Monaghan.

C. Registration Process and Online Calendar

The Registration Form must be completed prior to accessing a Hub. This is an online form found at www.peterborough.ca/hubs. The completed form will be sent to selected Hub(s) and the City of Peterborough when it is submitted.

Once the completed Registration Form has been accepted, the agency will receive a link to the online calendars they selected for booking appointments. Each Hub has a separate calendar.

The Agency Contact listed on the Registration Form must have the authority to represent the agency as they will be the primary contact for all communications related to the Hubs.

Once the calendar link is provided to an agency, they are able to share it **internally** with staff who could use the space for outreach work, i.e. front-line staff, outreach workers, case managers, etc.

The calendar link is **not** public. Agencies are not to share it with anyone outside the organization listed on the Registration Form. This is critical for Community Care and Agilec to manage and track access to their offices through the Hub program.

D. Hub Booking Process

Following the link mentioned above provides access to a Microsoft Booking Calendar.

Agencies can book a 1 or 2 hour meeting meetings. Please book multiple times for longer bookings.

In-Person meeting books the Hub for a face-to-face meeting with a client or family.

The image shows the 'Keene Hub' booking interface. At the top is a yellow header with the 'TOWNSHIP OF KEENE' logo and the text 'Keene Hub'. Below this is a 'Select service' section with two options: 'Keene Hub In-Person - NEW' (2 hours, Free) and 'Keene Hub In-Person Meeting' (1 hour, Free). The first option is circled in red.

Once the meeting is selected a time slot will be chosen. Once a time slot is chosen, it is no longer able to be booked by other agencies. These options may be different between Hubs.

The image shows a Microsoft Booking Calendar for November 21, 2022. The calendar displays a grid of dates from Sunday to Saturday. The date '21' is highlighted in blue. To the right of the calendar, there are time slots: 9:15 am, 10:15 am, 11:15 am, 12:15 pm, and 1:15 pm. The '10:15 am' slot is circled in red. At the bottom, a note states: 'All times are in: (UTC-05:00) Eastern Time (US & Canada)'.

After choosing a time slot the agency details need to be provided. These details are the **agency staff details. Do not include client details.** Agency Name must also be filled in. These details will allow Community Care and Agilec to know the agency staff contact completing the booking. Once the “Book” button is selected, staff at the Hub and the agency staff person will receive an email notification and calendar appointment.

F. Terms of Use

Community Care Peterborough (CCP) and Agilec are committed to conducting business in an open and ethical manner. Community Care and Agilec foster a positive and supportive environment and adheres to this code of conduct by supporting and actively participating in the process. CCP and Agilec strive to protect all employees, clients, volunteers and visitors and will not tolerate any wrongdoing or misconduct. CCP and Agilec will immediately take appropriate action to correct any problem. Retaliation against employees who use reporting mechanisms to raise genuine concerns will not be tolerated.

The Code of Conduct is a set of rules and guidelines that support and promote respectful and ethical behaviour.

Expectations

Community Care Peterborough will:

- Set a prime example, demonstrating honesty and integrity in their actions and behaviours at all times.
- Be open and compassionate about each person’s unique experiences and work toward establishing a trusting and respectful relationship.
- Respect and maintain privacy and confidentiality
- Maintain an open-door policy that allows for free discussion of suggestions and concerns from Community Hub users;

- Report any conflicts of interest, as defined in the agency Conflict of Interest policy, regarding their position at CCP; and
- Report any suspected violations of agency policy.

All Community Hub users and visitors will adhere to the following Guiding Principles:

- Work cooperatively with Community Care. Act with honesty and integrity.
- Treat others with respect and value differences.
- Maintain a professional, safe and supportive working environment.
- Acknowledge conflicts and manage them responsibly and bring to Community Care staff for timely resolution.
- Be accountable for my actions, decisions and behaviour.
- Respect and maintain privacy and confidentiality.
- Be responsible and ethical in my non-work related internet, social, media, and email use.
- When Hub facilities and computers are used, ensure they are logged out of any personal accounts, and no sensitive or personal information is left for others to view or access.

Community Care and Agilec may need to adjust the hours that the Hubs are available due to internal pressures. Every effort will be made to avoid disruption in Hub availability.

The City of Peterborough and County of Peterborough are not responsible for activities at the Hubs. Community Care Peterborough and Agilec are independent organizations and manage the Hub locations. The City and County are assisting to make the Hubs available with logistical support.
