

**Mississippi Mills
Pierce Municipal Drain Maintenance
Contract No. 26-23**

The Municipality of Mississippi Mills is inviting bids from qualified contractors for maintenance of the Pierce Municipal Drain under Contract 26-23.

The work within this contract includes:

- Drain clearing and bottom-only excavation;
- Management of excavated material;
- Construction access;
- Erosion and sediment control; and
- Associated provisional work.

ELECTRONIC BIDS will be accepted through MERX until 2:00 p.m. local time on October 8, 2026, for the "Municipality of Mississippi Mills Pierce Municipal Drain Maintenance, Contract No. 26-23."

The tender document can be found on MERX.

All inquiries must be submitted electronically through MERX no later than 4:00 p.m. local time on October 2, 2026.

Construction is anticipated to begin October 20, 2026, with completion by December 23, 2026.

For further information, please refer to the solicitation documents available through MERX.
