Questions from Candidates

Where is Bellamy Mills Road from Gemmill to the gravel on the list for work? What work is planned, and is the sidewalk included in that work?

The following works are scheduled for Bellamy Mills Road from Tatlock Road to Gemmill Street:

1. Drainage Improvements Early October.
2. Operational (Non-Capital) Asphalt Repairs/overlay Mid to Late October.
3. Overall sidewalk condition is good and is not included in the current work program. Photos of the 2 worst deficiencies which are considered moderate at this time are attached.
