Ward B / Ward 2

Township Councillor Candidate

MUSKOKA
LAKES VOTES

OCTOBER 26, 2026

About

After 16 years as your District & Township Councillor, I have decided to step down from the District Councillor position and to run for Township Council only. This will let me devote more time to the Township and family time.

My wife Linda & I have been permanent residents for 20 years and spent over 60 years in Windermere. My wife's mother was born in Windermere.

I pledge to be active in the community and attend as many meetings as possible in person. I believe a Councillor should be available to everyone. I will still take telephone calls and listen to your concerns.

We may not always agree but at least I will listen.

I will attend as many Lake Association meetings as possible, so I can hear your concerns.

I will also continue to read all my Agendas to keep informed and be prepared for meetings.

Some of the concerns people have mentioned are the environment, the official plan and zoning by-laws. Our Official Plan and Zoning By-laws are important ways to protect the environment and the Muskoka we love.

I respectfully ask for your support in the upcoming election to continue working for the betterment of Muskoka as your Township Councillor for Ward B.
