

Mary Ellen McIntyre

Ward A / Ward 1

Township Councillor Candidate

MUSKOKA
LAKE VOTES

OCTOBER 26, 2026

About

After being called to the Bar I went north to Moosonee to work with the Anishinaabe, the James Bay Cree Bands James Bay.

Then I moved to Muskoka where I was hired to set up the Muskoka Legal Clinic (Lake Country Community Legal Clinic) in Bracebridge. I lived on Moon River Road in Bala, and this is where I had and raised my young children. The rest of my long career I worked in legal clinics practicing poverty law.

Township Councillor

In 2022 I was elected as a Ward A Councillor and I have served my community for the last 4 years. I was appointed to and have served on:

1. the Board of the Muskoka Lakes Public Library;
2. as District Alternate, attending District Council when District Councillors are unable to attend meetings;
3. the Comprehensive Zoning By-law Committee to develop the zoning by-laws for the new Official Plan; and
4. the Volunteer Committee, a committee to celebrate the volunteers of our Muskoka communities.
5. As well I have served on the:
6. Walkers Point Community Centre Hall Board; and
7. Walkers Point Library Board.

I have two priorities: the environment and our communities: to protect our environment while we grow and the effect every decision will have on our communities and the well-being for all who are lucky enough to live in Muskoka.

I live on Walkers Point as a year-round resident of Muskoka.

I look forward to continuing to serve as a Township Councillor.
