

Gordon Roberts

Ward B / Ward 2

Township Councillor Candidate

MUSKOKA
LAKE VOTES

OCTOBER 26, 2026

About

It has been a privilege to serve the residents of Ward B and the Township of Muskoka Lakes since first being elected to Council in 2018. I am fully prepared – no learning curve.

Throughout my time on Council, I have tried to approach every decision in the same way: understand the facts, listen to those affected, consider different points of view, and make the decision I believe is in the best interests of the Township.

My commitment to this community extends beyond Council. I was involved in establishing the Leonard Lake Stakeholders Association and served as its inaugural President.

I have also been actively involved with the Milford Bay community. I was Chair of the Board of Directors of the Milford Bay Community Centre for many years

Looking ahead, I believe the next term of Council will face some significant challenges. We need to make sound financial decisions and provide value for taxpayers.

I am asking for your support to continue serving our community because I care deeply about Muskoka Lakes and believe that the experience I have gained—both on Council and through my professional and community involvement—will continue to benefit our Township.

Please do not hesitate to contact me to discuss any questions you may have.
