NEEBING
CHOOSE YOUR ADVENTURE

We're Hiring!

The Municipality of Neebing is currently accepting applications for the following position:

Working Roads Foreman

The Municipality of Neebing is seeking an experienced and motivated Working Roads Foreman to lead the day-to-day operations of the Public Works Department.

Reporting to Council, the Public Works Foreman is responsible for supervising staff, coordinating road and infrastructure maintenance activities, managing municipal equipment and facilities, overseeing contractors, preparing departmental reports and budgets, and ensuring compliance with health and safety and legislative requirements. This is a working foreman position and includes equipment operation and field work as required.

Position Status
A vacancy will exist for this position. The successful candidate is expected to begin employment prior to the departure of the current Foreman to facilitate a transition period and knowledge transfer.

Qualifications
- Experience in municipal public works, road maintenance, construction, or a related field.
- Previous supervisory experience.
- Knowledge of applicable health and safety legislation and municipal operations.
- Experience operating heavy equipment.
- Strong leadership, communication, and organizational skills.
- Valid DZ driver's licence (AZ licence considered an asset).
- Ability to be bonded.

Compensation
This is a unionized position governed by the applicable collective agreement. The current wage rate is $39.56 per hour, increasing to $40.94 per hour effective April 1, 2027, plus participation in the OMERS pension plan and a comprehensive benefits package.

Applications will be accepted until **4:00 p.m. on Friday, November 6, 2026.**

A detailed job description can be found on our website at www.neebing.org/careers.

Please submit cover letter and resume to:
Clerk-Treasurer

Volunteer for your Community!

As the Municipality prepares for a new Council term, applications are now being accepted for volunteer appointments to municipal committees and boards.
This is a great opportunity to get involved and help shape the future of our community. The Municipality of Neebing is currently seeking volunteers to serve on the following committees:
- Neebing Recreation Committee
- Neebing Economic Development Advisory Committee
- Cloud Bay Cemetery Board
- Neebing Waste Management Committee
- Seniors Development Steering Committee
- Neebing FireSmart Committee

Serving on a committee is a rewarding way to contribute your knowledge, ideas, and experience while helping Council make informed decisions on matters that affect our community.
For more information about each committee and the application process, visit **www.neebing.org/committees**.
Interested individuals can apply by completing the online application form available on the committee webpage. Deadline to apply is November 26, 2026 at 4:00 pm.
If you have questions or require assistance with the application process, please contact the Municipal Office at 807-474-5331.
Make a difference in your community. Apply today!

Emergency Response Registry

The Emergency Response Registry is a joint venture between Neebing's Emergency Management and Emergency Services departments.

The Emergency Response Registry is a service that allows residents with disabilities and/or their caregivers to submit critical information about their living accommodations. The information is used to assist firefighters and emergency responders to quickly locate and/or contact individuals so we can provide additional care in the case of an emergency such as an evacuation.

Visit www.neebing.org/beprepared and join the Emergency Response Registry by filling out the online form. Paper copies of the form are also available at the Municipal Office.

Green Doesn't Always Mean Go

By Fawn Cheesman,
Captain/Public Information Officer

All drivers in Ontario are familiar with the emergency red flashing lights and sirens on police cars, ambulances, and fire trucks, and know that they are required by law to pull to the right and stop when they see or hear them coming.

However not everyone is aware of the Volunteer Firefighter's Green Flashing Light.

In a large city, emergency vehicles are manned by full-time personnel, who use the red lights and sirens to get through traffic to the scene of an emergency in a hurry. Seconds count in a fire or rescue situation, and time lost from traffic congestion can make a difference. For those of us in rural and smaller urban areas, we receive our fire protection from volunteers, who often respond to emergencies in their own private vehicles. These vehicles are not equipped with red lights or sirens that make them stand out from any other vehicle on the road.

When the call for help comes in, our personnel may be at their regular job, at the beach with the family or sleeping in the middle of the night. They drop what they are doing and immediately respond to the fire hall to drive the fire trucks to the emergency scene. Once the trucks have responded, firefighters and first responders that did not make it to the hall will continue to the emergency in their personal vehicle.

The Green Light gives the firefighters no special privileges when responding to an emergency. It is used only as an identifier to the drivers of other vehicles so that they may give up their right-of-way and allow the firefighter to get to the emergency unimpeded. Seconds count in a fire or rescue situation, and time lost from traffic congestion can make a difference! If you see a vehicle with the tell-tale flashing green light activated, you now know it's one of us, on our way to help one of our neighbours. Remember, the home or life we are rushing to save could be yours or that of your loved one. Please let us pass!

Let's Talk About Men's Health!

By Meaghan Shruiff
Deputy Chief of Medical Operations

What is Movember? This move- ment was started in 2003 by two Australian "Mates" Travis Ga- rone and Luke Slattery. Their in- spiration came from a friend's mother who was fundraising for breast cancer. They coined "the mustache" that we all know and recognize today, to be "the pink ribbon for men." This annual event revolves around the con- cept of growing out one's mus- tache during the month of November to raise awareness of men's health issues. Movember is typically known for raising awareness of prostate and testic- ular cancers, but has also gained momentum in support of men's overall mental health including suicide prevention. Since the conception of Movember, the movement has seen growth from just 30 mustaches to 5 million as well as being observed in more than 20 different countries! On November 1st, it is expected that all Movember participants start with a freshly shaved face, and you spend the entire month growing out your stash!

Testicular cancer is the #1 cancer in younger men but is highly curable when caught early. Testicular cancer has a success rate of 95% of cases treated, with the cure rate rises to 98%. Patients who are dia-

gnosed with localized cancer (cancer that has not spread out- side of the testicle) have a 99% five-year survival rate.

Prostate cancer is most com- mon i.n men over the age of 45, and frequently comes with no is- sues or symptoms during the early stages. For those who have a family history of prostate cancer, having a conversation, or frequent check-ups with your doctor is a must to stay safe. More than 1.4 million men are dia- gnosed with prostate cancer each year.

Men's mental health is often the forgotten about issue. Men are historically known as the pro- viders, the protectors and some- times we forget that life can become overwhelming for them too. In Canada alone, of the esti- mated 4000 suicide deaths, close to 75% are men. (Mental Health Commission of Canada)

If you are having thoughts of suicide or notice a change in a friend or family member (male) here are some lifelines for them to reach out to. National Suicide Prevention Life Line 1(800)273- 8255, Lifeline Crisis Chat or Na- tional Alliance on Mental Illness 1(800)950-6264 or text "NAMI" to 741741, but if you believe there is an immediate threat to life please call 911.

Before the Snow Flies:
A Good Neighbour Shed Reminder

As we head into the winter season, we'd like to remind residents about the purpose of the Good Neighbour Shed and ask for your help in keeping the area safe, tidy, and accessible.

The Good Neighbour Shed provides residents with an opportunity to give unwanted items a second life. If you are donating an item, please place it inside the shed, not beside it. Recently, items have been accumulating outside the sheds, creating clutter and making it difficult for municipal staff to safely maintain the area.

With snow season approaching, items left outside can interfere with snow plowing and snow removal operations, become damaged by the weather, and create safety hazards for both site users and municipal staff.

Accepted Items:

- Items that are gently used or unused, unbroken, and clean

Items Not Accepted:

- Upholstered furniture
- Baby furniture and car seats
- Electrical items
- Food or liquids
- Clothing and footwear
- Encyclopedias and magazines

Please use good judgment when deciding whether an item belongs in the Good Neighbour Shed. Donations should be gently used or unused, unbroken, and clean. Items that are damaged, dirty, or no longer useful should be disposed of appropriately rather than left in the shed.

If the shed is full, please do not leave items outside the building. Instead, consider holding onto the item until space becomes available or taking it to another charitable organization, thrift store, or donation location that can accept it. Items left outside quickly become damaged by weather, create litter, and can obstruct winter maintenance operations.

By keeping donations inside the shed and ensuring they are clean, safe, and reusable, residents help keep this community resource available and enjoyable for everyone.

THE HUB OF THE COMMUNITY
Where residents come together to exchange ideas and discover and create rich meaningful experiences

Oliver Paipoonge Library recently received over 800 books that were donated by the school community during a used book drive leading up to "Dolly Parton Day" held at the school. Dolly Parton promoted reading by mailing books to children's homes, at no cost to their families. Known as Dolly Parton's Imagination Library, millions of books have been gifted over the past several years, and we know Dolly would have been proud of the students of Crestview School for their ambitious contribution to the library. Many of the books were in such good shape, or brand new, that the library was able to catalogue them in to their collection, and others have been placed in the used book rooms at both branches. Seen in this photo are the many books available for just .50¢. Thank you so much to the students and staff at Crestview School for supporting the Oliver Paipoonge Library.

Neebing Fire/Rescue Association

Having had so many days in October with above-average temperatures, it will take a little time to get used to November's chill. The bare trees with crunchy leaves underfoot punctuated by the occasional whiff of woodfire smoke always make the seasonal transition a little easier for me. One preparation for the busy upcoming holiday season is to pin the NFRA Cookie and Treat Sale into your calendar (December 12, SEE POSTER FOR LOTS MORE DETAILS!). We'll have vendors and our Annual Penny Auction to help with last minute Christmas gifts!

Another preparation you may want to consider is to buy your **NFRA 50/50 ticket** for the **January 2027** draw! How nice would it be to start off the new year with a win?

NFRA and volunteers would like to thank the community for their continued support of our Can and Bottle Collections throughout the year! Your donations have a huge impact on the funding we can supply to Neebing Emergency Services so they can help YOU.

To be notified of upcoming Sorts or other NFRA functions, you check out our Facebook page (NFRAevents) and our website www.neebingfirerescueassociation.com.. We'll let you know what's happening! No pressure, we promise 😊

As always, thank you for your support of NES!

Nancy Luckai, NFRA President

Let's go from COOKIE DOUGH to HO HO HO!

NFRA will be holding our annual **COOKIE & TREAT SALE** with Penny Auction and Vendors on Saturday, December 12th (see poster).

This event is a success each year due to YOUR donations of baking and YOUR willingness to purchase our wares. We now have people driving out from Thunder Bay to join in the fun! 😉

So, its always a good idea to get there early as we often sell out!

We are looking for donations of cookies, bars and treats to offer for sale at the Cookie Walk.

If you can help us out or would like more info, please message us at nfraevents@gmail.com, check out our facebook page (NFRAevents) or website www.neebingfirerescueassociation.com.

The 2027 Explore Card Parking Pass will be available for sale beginning November 1, 2026! If you visit frequently, an Explore Card Parking Pass for $45.00 +HST permits day-use/parking at our ten Conservation Areas for one calendar year. Visit as often as you like. Enjoy one calendar year of recreation activities! All Explore Card revenue goes directly towards the upkeep and maintenance of our Conservation Areas. It's convenient for frequent users, and a great stocking stuffer for the outdoor enthusiasts in your life!

Get a head start on your holiday shopping with some new LRCA merch! We have new t-shirt designs, buttons, stickers, patches, and water bottles all featuring ten new Conservation Area-specific designs! We will have some of our merch for sale at a special holiday pop-up kiosk at Intercity Mall on December 5th and 6th as well.

The popular LRCA 2027 Calendar will be available for free beginning this month (November). Be sure to look for it at your municipal office and select businesses such as Safeway, LU Bookstore and more. The LRCA will also have some copies available at our Administrative Office at 130 Conservation Road. The calendars go extremely fast, so be sure to get yours while supplies last! Thank you to all of the sponsors for making this calendar possible for another year.

Get out and Explore!

EMERGENCY TEXT ALERT SERVICE for Neebing Residents

Sign up for the Emergency Text Alert Service. This text alert service is used to notify Neebing residents via text message of immediate dangers or emergencies occurring in our community such as road closures, evacuations, wildland fires, and other hazards.

Sign up is free but you must have a smartphone equipped to receive text messages to use this service as it does not work on land lines. Sign up at neebing.org/textalerts or send us your name, Neebing address, and your text-enabled cell phone number including area code to neebing@neebing.org or call us at 807-474-5331. Your personal information is kept strictly confidential. If you have any questions, please feel free to contact us at the office.
