You are invited to attend **Community Open House #2** related to the **Southwest Ayr Secondary Plan**.

GSP Group previously hosted an interactive Community Open House on Wednesday October 7, 2026, to obtain suggestions from community members on the future land use plans for the Secondary Plan Area. Your feedback has informed the development of three (3) preliminary land use plans and draft planning policies for the Secondary Plan area.

MEETING FORMAT: This Open House will consist of an approximately 15-minute presentation at the start of the meeting to highlight the key policy directions of the Secondary Plan and the three (3) preliminary land use plan options for the lands. Following the presentation, you are invited to view the preliminary land use plans and information boards, and additional feedback will be gathered through various formats, including one-on-one discussions, to help inform the development of a preferred land use plan.

Our project team members will be available to discuss the preliminary plans and materials with you and help with the submission of additional comments.

MEETING DATE:	**Wednesday November 25, 2026** 6:00 p.m. – 8:00 p.m. (Presentation from 6:15 p.m. to 6:30 p.m.)
MEETING LOCATION:	**Ayr Farmers Mutual Community Centre** Dumfries Room 2958 Greenfield Road, Ayr

If you are unable to attend the Open House and would like to review the materials and provide comments, please contact Craig Rohe from GSP Group to discuss the project at crohe@gspgroup.ca or 289-814-3090. Comments are requested to be provided by **Friday December 4, 2026**.

Copies of the Open House #2 materials will be made available on the Township's Planning Department Webpage on November 26, 2026, following the Open House.
