WHEREAS Eastern Ontario's small rural municipalities face insurmountable challenges to fund both new growth related infrastructure and ongoing maintenance of their capital assets including local roads and bridges, clean water, wastewater, waste facilities, and municipally owned buildings including recreational facilities and libraries; and

WHEREAS the Federation of Canadian Municipalities has calculated that Municipal Governments across Canada are responsible for approximately 60 percent of public infrastructure that supports our economy and quality of life, but only receive 10 cents of every tax dollar; and

WHEREAS the Eastern Ontario Wardens' Caucus (EOWC) region's capital infrastructure deficit has increased by 58 percent since 2011 and is now at \$6 billion, and growing; and

WHEREAS Eastern Ontario is a growing economy that can grow more with sustainable, innovative infrastructure partnership and investment from the Federal and Ontario Governments; and

WHEREAS small rural taxpayers cannot afford dramatic increases to pay for the current and future infrastructure.

NOW THEREFORE BE IT RESOLVED THAT municipality joins the Eastern Ontario Wardens' Caucus, the Association of Municipalities of Ontario, and the Federation of Canadian Municipalities in calling on the Federal and Ontario Governments to immediately and sustainably partner with Municipal Governments by investing in both the new and

1. Urging the Government to Promptly Resume the Assessment Cycle

Resolution No. 8

Moved By: Carma Williams

Seconded By: Jamie MacDonald

WHEREAS the assessment cycle is an essential process for maintaining the fairness and predictability of property taxes in our province and;

WHEREAS the pause in the reassessment cycle has created uncertainty and instability in property taxation, impacting both residential and commercial property owners and;

WHEREAS the government has delayed an assessment update again in 2024, resulting in Ontario's municipalities continuing to calculate property taxes using 2016 property values and;

WHEREAS both current and outdated assessments are inaccurate, increase volatility, and are not transparent and;

WHEREAS frequent and accurate reassessments are necessary to stabilize property taxes and provide predictability for property owners, residents, and businesses alike and;

WHEREAS the staff at the Municipal Property Assessment Corporation would benefit from further skills enhancement and training in assessments, recognizing the importance of ensuring accurate evaluations for 100% of our municipality and;

WHEREAS the Government has announced a review of the property assessment and taxation system with a focus on fairness, equity, and economic competitiveness, and therefore further deferring new property assessment and;

NOW THEREFORE BE IT RESOLVED THAT the Council of the Corporation of the Township of North Glengarry hereby calls upon the Premier to promptly resume the assessment cycle to ensure the stability and predictability of property taxes while the Government conducts its review of the property assessment and taxation system, or respond with an alternative method for every municipality in Ontario to achieve fair taxation and;

FURTHERMORE, THAT all Municipalities in Ontario and their constituents are encouraged to apply pressure to the Premier, daily, weekly, and monthly, to resolve the situation before it causes undue stress to everyone in the Municipality and;

FINALLY RESOLVED THAT a copy of this resolution be forwarded to the Premier Doug Ford, the Association of Municipality in Ontario, the Rural Ontario Municipalities Association, the Federation of Northern Ontario Municipalities, the Municipal Property Assessment Corporation, and all municipalities in Ontario for their consideration, to make proper changes quickly and efficiently as possible.
