OAC Annual Maintenance Closure

The Olds Aquatic Centre will be closed for our annual maintenance shutdown from August 31 to September 19, 2026. We will be reopening to the public on Sunday, September 20.

During this time, our team will be completing essential maintenance, repairs and cleaning to help keep the Aquatic Centre safe, clean and ready for another year of fun in the water!

Good news for pass holders. All time-based passes will automatically be extended to account for the closure. No action is required.

We appreciate your patience and understanding while we complete this important work. We look forward to welcoming everyone back when we reopen!
