2027 WASTE COLLECTION GUIDE

Find Your Collection Day

The map shows the collection day for each neighbourhood. See the Waste Collection Calendar to see which bins to put out.

Getting Your Bins Ready

Place your bins at the curb or in the alley on your collection day by 7:00 AM.

For alley collection:

Black bin (garbage): North or east side of the alley.

Green and blue bins (compost and recycling): South or west side of the alley.

Give your bins space!

Keep at least one metre/3ft between bins and other objects, including vehicles, fences and garages.
