EXPLANATORY NOTE

This is a new Zoning By-law for the Town of Perth, replacing Zoning By-law 3358. The Council of a municipality may, under Section 34 of the Planning Act, pass a Zoning By-law to govern the use of land. The effect of By-law 5276 is to regulate the use of land and the erection, location and use of buildings and structures within the entire Town of Perth. After the By-law is in force, no land shall be used and no building or structure shall be erected, altered or used in any manner except in conformity with the provisions of the By-law. All previous Zoning By-laws are repealed by the new By-law.

The By-law will not apply to prevent or hinder the continued use of any land, building or structure, if such land, building or structure was lawfully used for such purpose on the day of the passing of the By-law, so long as it continues to be used for that purpose.

As the By-law affects all lands within the Town of Perth, a Key Map has not been provided.

NOTE: One of the purposes of the Planning Act is to provide for planning processes that are open, accessible, timely and efficient. Accordingly, all written submissions, documents, correspondence, e-mails or other communications (including your name and address) form part of the public record and will be disclosed/made available by the Municipality to such persons as the Municipality sees fit, including anyone requesting such information. Accordingly, by providing such information, you shall be deemed to have consented to its use and disclosure as part of the planning process.

DATED at the Town of Perth, this 21st day of August 2026.
