City of PICKERING

Service Announcement

Notice of
Road Closure: Clements Road Rail Crossing

Road Closure Clements Road at the CN Rail Crossing, between Brock Road and Squires Beach Road.

Purpose: To facilitate critical rail crossing repairs requested by CN Rail

Duration: Tuesday, November 24 at 7:00 a.m. to Wednesday, November 25 at 7:00 p.m.

A full road closure will be implemented on Clements Road at the railway crossing to complete repairs. There will be no through access in either direction during the closure. This work is necessary to ensure the continued safety and reliability of the rail crossing for all users.

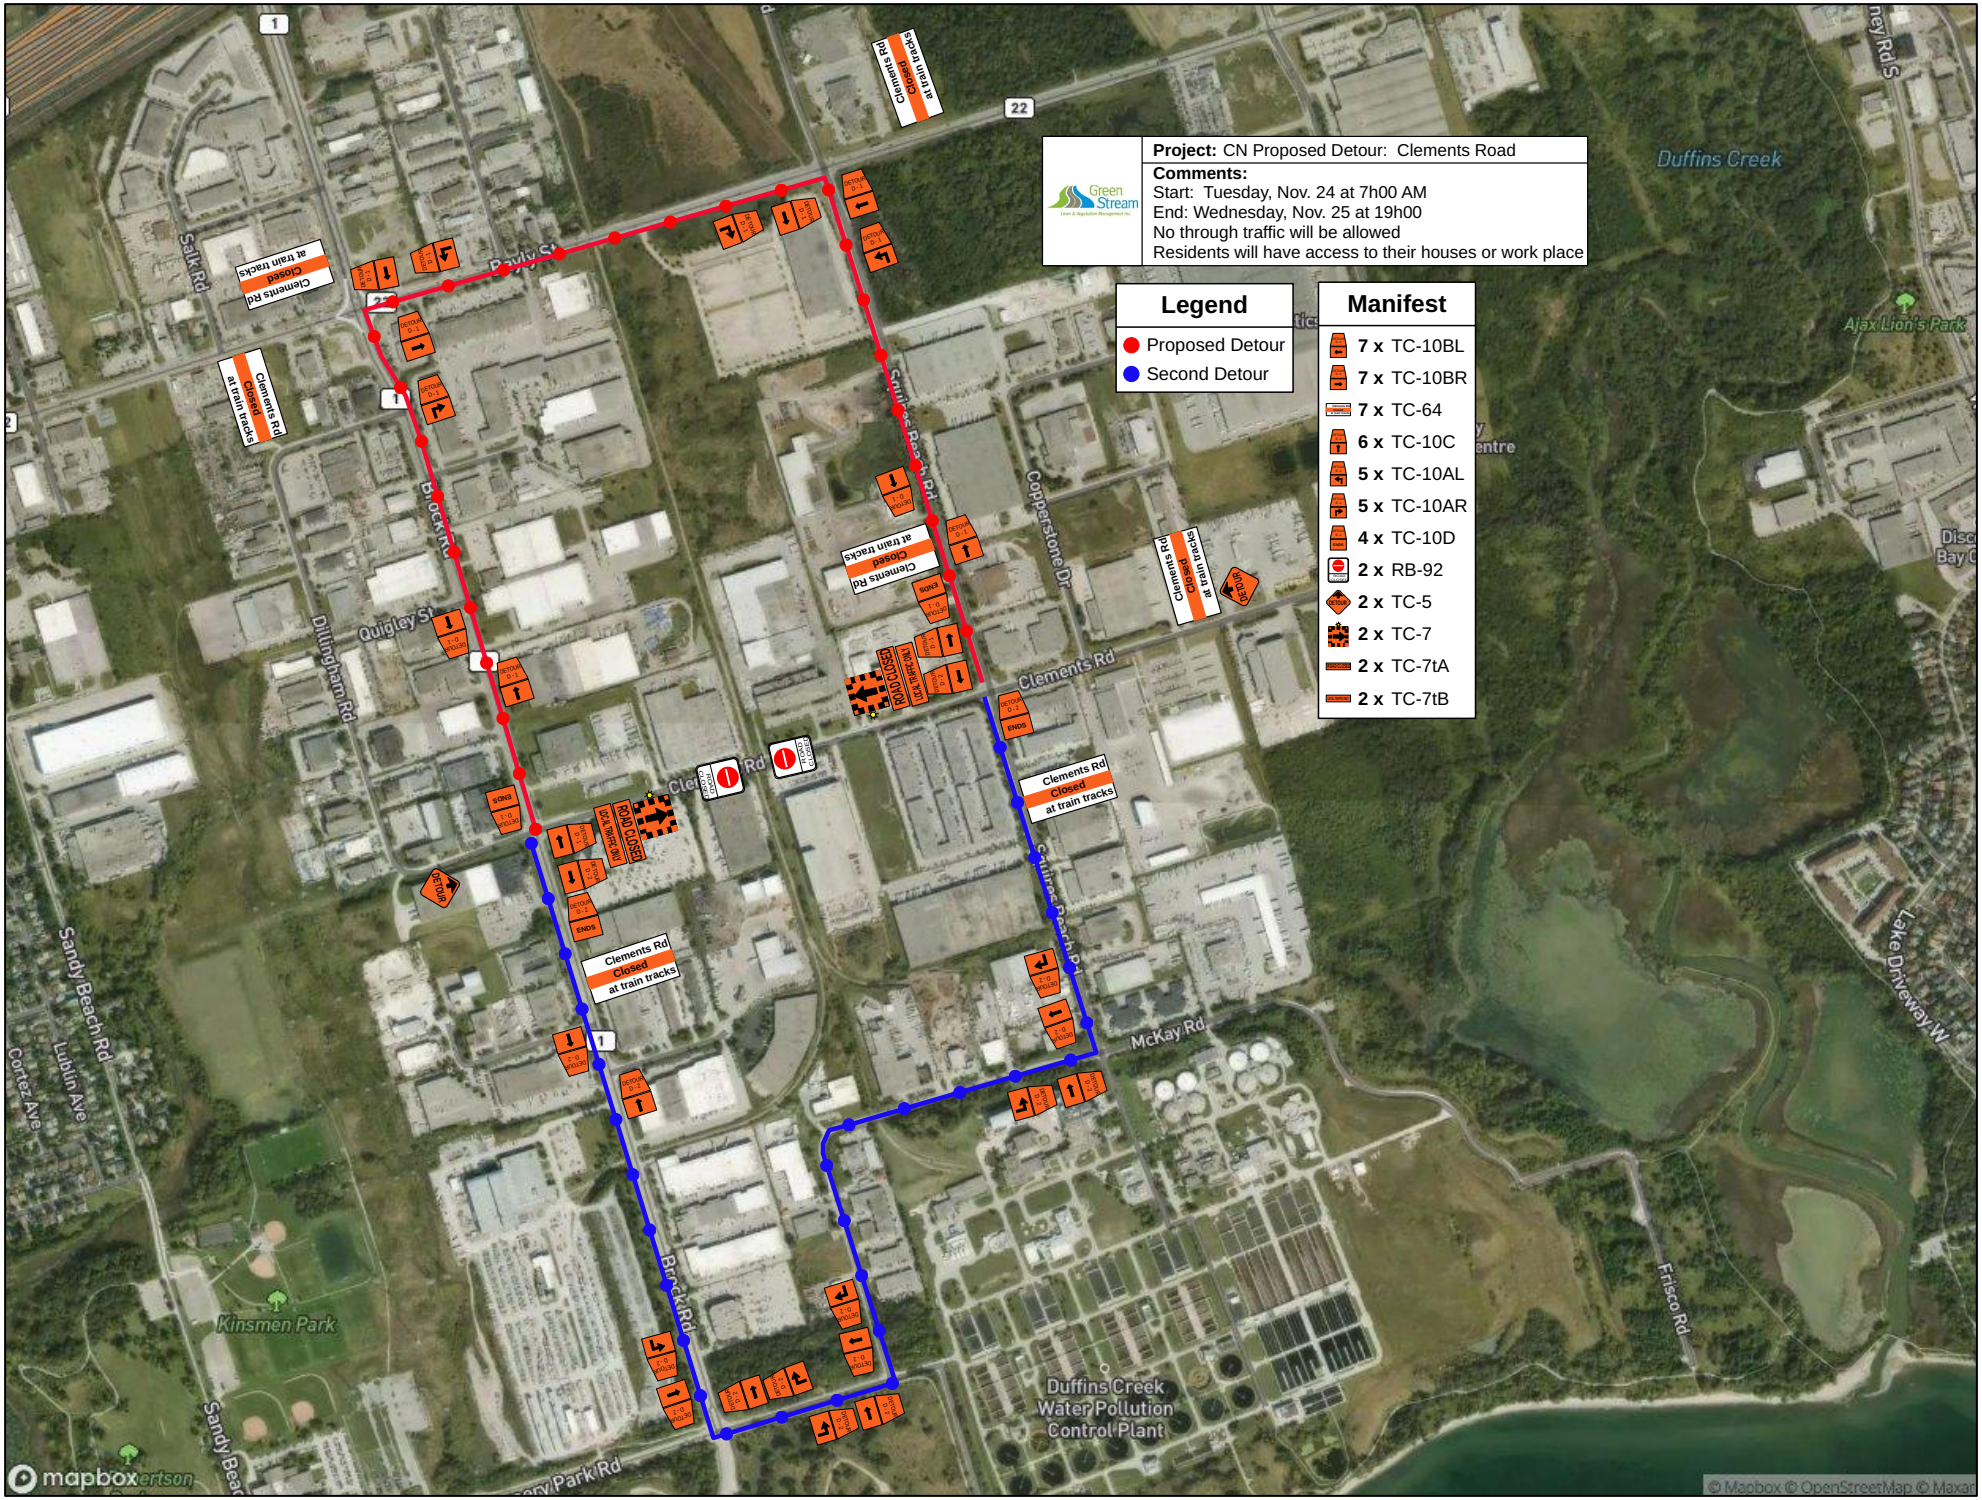

Residents and businesses within the closure area will continue to have access to their properties by following the signed detour routes. The primary detour will direct traffic via Brock Road, Bayly Street and Squires Beach Road to bypass the closure and reconnect with Clements Road. A secondary detour route will also be available.
