

Intersection Modifications at Westney Road (Regional Road 31) and Concession Road 6 in City of Pickering

Notice of Construction

Works Department

September 30, 2026

Public Notice #1

What's happening?

The Regional Municipality of Durham has hired D Rock Paving to complete crosswalk installation and pavement works at the intersection on Westney Road and Concession Road 6 in the City of Pickering.

What work is being done?

- The existing concrete curb will be removed and replaced.
- There will be new concrete sidewalks installed at all four corners, complete with tactile walking surface indicators.
- New asphalt, lane markings and crosswalk markings will be constructed.

When will this happen?

D Rock Paving will be on site in early October to start preparing for the work. The construction is expected to finish by November 15, depending on weather conditions.

How will traffic be affected?

- Temporary lane closures will be required during construction, and traffic impacts can be expected.

Other important information

- The equipment used for construction might make noise and cause ground vibrations for anyone living or working nearby.
- The Region will do its best to finish the work quickly and safely.
- Please be careful when driving in the area for the safety of construction workers, people walking and people cycling.

Should you have any questions or concerns, please contact one of the following staff members from the Region:.

Kyle Brennan
Project Supervisor
365-662-4963
