

Notice of Construction

Scarborough Pickering Townline
Road Reconstruction
from Finch Avenue to CP Rail Crossing

City Infrastructure Department

September 25, 2026

Anticipated Start Date: October 1, 2026

Anticipated Completion Date: November 20, 2026

The City of Pickering's road resurfacing contractor, Melrose Paving Co. Ltd. (Quotation No. Q2026-30), will be undertaking road reconstruction on Scarborough Pickering Townline from Finch Avenue to the CP Rail Crossing. The scope of work includes full road reconstruction, consisting of new granular base and subbase, new road asphalt, re-establishment of existing ditches, installation of new culverts and one amphibian crossing culvert, supply and installation of steel beam guiderails, line painting and restoration of disturbed areas.

A full road closure will be required to complete the project. Prior to construction, detour routes will be posted on the City's website and appropriate traffic signage will be installed on site to ensure safe and efficient traffic flow.

We look forward to working with you to complete this project in a professional and timely manner. Thank you in advance for your cooperation and patience.
