

TENDER ANNOUNCEMENT – RFQ 26 09 007 SUB 22 STATION DESIGN

Electronic tenders, plainly marked as to contents, will be received by the Procurement Manager until:

3:00 PM Local Time on Friday, November 13th, 2026

PUC Services Inc. (PUC), on behalf of PUC Distribution, is issuing a request for quote (RFQ) inviting qualified consulting engineering firms to submit tenders for the detailed design, tendering support, construction support, commissioning support, and project closeout services associated with the development of Substation 22, a new municipal transformer station to be constructed within PUC's distribution system.

Substation 22 is to utilize the PUC preferred substation design as a template. The Substation 22 design shall be similar preferred substation design with opportunity for improvements and/or elements borrowed from other PUC specified sub stations.

Complete tender documents can be obtained by contacting the Procurement Dept. at purchasing.dept@ssmpuc.com.

There will be no public opening of this tender.

Tenders are subject to a formal contract being prepared and executed. PUC Services Inc. reserves the right to reject any or all tenders and the lowest or any tender will not necessarily be accepted.
