Re: Section 7.0 – Successful Bid Expected Conditions

Questions and Clarification and **Response (in bold)**

1. Request that the Township of Selwyn revise the professional liability insurance requirements related to aggregate amounts, certain professional liability clauses and some Indemnification and Hold-Harmless clauses. **These clauses were suggested by the Township of Selwyn's insurer. There may be opportunity for the successful proponent to propose amendments to the insurance, indemnification, and hold-harmless language before the contract is executed. However, final determination on the proposed amendments would be at the sole discretion of the Township in consultation with its insurer.**
