A MESSAGE FROM FIRE CHIEF RALPH SNYDER AND THE SHELBURNE AND DISTRICT FIRE DEPARTMENT.

Smoke and CO alarms can only save lives if they work. They all have expiry dates, yes even the hard-wired ones. Most alarms now have a maximum 10-year life span, check for a manufacture date on warning devices. Test all alarms monthly, change the batteries and replace alarms before they expire. We also advise, all alarms have a battery backup in case of an electrical power outage, if they don't, replace them. Remember WORKING smoke and CO alarms are the law. If you have any questions or concerns call your local fire department at 519-925-5111.

Clean Yards Bylaw

APRIL 15, 2022

CLEAN YARDS BYLAW

On December 13, 2021, the Mayor, and Council passed a Clean Yards Bylaw that would become enforceable on April 15, 2022, allowing time for the application and approval of set fines. In response to Council direction to move from complaint driven enforcement to proactive enforcement Town of Shelburne Municipal Law Enforcement Officers will be conducting Proactive Enforcement Blitz's throughout the year. Municipal Law Enforcement Officers began a Clean Yards Enforcement Blitz on Monday May 2, 2022. Enforcement this month will concentrate on accumulations of debris, waste and discarded items and materials in front and side yards, as well as inoperable vehicles, including trailers, and recreational vehicles. Officers will be attending to residential, commercial, and industrial areas. To learn more about Councils directive and the Bylaw check out the Towns website and follow us on Facebook, Instagram and twitter to learn about the next Blitz.
