

Increased Capacity of the Town of Shelburne's Water Pollution Control Plant (WPCP)

Notice of Completion

The Town of Shelburne has completed an environmental assessment to increase the rated capacity of the Town's existing Water Pollution Control Plant. The new capacity will allow the Town to meet current and long-term wastewater treatment needs. The Town completed its assessment of this project following Schedule 'B' requirements of the Municipal Class Environmental Assessment 2023.

A Project File Report documenting the planning process undertaken was completed and is now available for public review. Subject to comments received following this Notice, the Town intends to move forward with the Project File Report recommendations. The Project File Report is available electronically on the Municipality webpage [Plans, Studies and Reports](#) and in hardcopy at the following location during regular hours of operation:

LOCATION: Shelburne Town Hall
203 Main Street, Shelburne ON

Please forward any comments **by Monday April 22, 2024**. Thereafter, the Project File Report will be reviewed and revised, taking into consideration comments received from the public.
