

GREY COUNTY

and the

TOWNSHIP OF SOUTHGATE

Reconstruction of Main Street West (Grey Road 9) and Osprey Street, Dundalk

PROJECT OPEN HOUSE

Grey County and the Township of Southgate are proceeding with reconstructing Main Street West (Grey Road 9) from Ida Street to Proton Street as well as reconstructing Osprey Street from Victoria Street to Owen Sound Street, Dundalk. The project is planned for the 2026 construction season. We will be hosting an Open House where the public is invited to review the proposed plans.

The **Open House** will be on Thursday, January 22nd, 2026, from 5:00 pm to 7:00 pm, at the following location:

**Frank Macintyre Building
250 Owen Sound Street, Dundalk**

Representatives from the County, the Township, and the Consulting Engineers for this project will be present at the Open House to review the plans and answer questions. Should you have any questions regarding this project, please contact the following:
