

Township of Southgate Council Meeting Highlights September 2, 2026

- **Official Plan Amendment Comments – 772082 Highway 10**

Council received Staff Report PL2026-053 and directed staff to share the Township's comments on the proposed Official Plan Amendment with the County and the applicant. The comments are outlined in Attachment 3 of the staff report.

- **New School Crosswalk Coming to Hagan Street**

Council approved the addition of a school crosswalk and crossing guard at Hagan Street and Young Street. The project will be funded through savings from the Dundalk Sidewalk Capital budget.

- **2026 Council Calendar Updated**

Council approved amendments to the 2026 Council Calendar, adding additional Committee of Adjustment and Public Planning Meeting dates to accommodate upcoming applications. Council also tentatively approved dates for Financial Forecasting Meetings for the 2027 budget.

- **Development Timeline Extended**

Council approved a second extension of the development timelines for Plan 852, Block 58-59 in Dundalk, and directed staff to prepare and execute an amending agreement with the owner.

- **Amending Agreement for ABS Machining Inc.**

Council is taking steps to ensure the ABS property has a reliable, long-term fire protection system. The existing diesel fire pump system has become outdated and is no longer a dependable long-term solution. Council approved an amending agreement with 2634312 Ontario Inc. to share the costs of upgrading the fire protection system and help ensure reliable protection for the property.

- **General Announcements**

Members of Council shared community announcements and updates which can be viewed [here](#).
