REQUIRED PLANS

It will be necessary to submit preliminary site plans for the development at the time of the filing of this application.

Minimum requirements will be a sketch showing the following:

- i. The boundaries and dimensions of the subject land.
- ii. The location, size, and type of all existing and proposed buildings and structures on the subject land, indicating the distance of the buildings or structures from the front yard lot line, rear yard lot line, and the side yard lot lines.
- iii. The approximate location of all natural and artificial features on the subject land and on land that is adjacent to the subject land that, in the opinion of the applicant, may affect the application. Examples include buildings, railways, roads, watercourses, drainage ditches, river or stream banks, wetlands, wooded areas, wells, and septic tanks.
- iv. The current uses on land that is adjacent to the subject land.
- v. The location, width and name of any roads within or abutting the subject land, indicating whether it is an unopened road allowance, a public travelled road, a private road, or a right-of-way.
- vi. If access to the subject land is by water only, the location of the parking and docking facilities to be used.
- vii. The location and nature of any easement affecting the subject land.
