

The Town is sharing the following biography exactly as submitted by each Candidate. We have not edited or revised grammar, spelling, punctuation, or verified any content.

Candidate Name: Larry Morand

Seeking Office: Deputy Mayor

As a lifelong resident of Tecumseh, I am proud to call this community home. My wife and I have raised our family here, and our two adult children continue to live in this town. My connection to Tecumseh runs deep. My family has operated local businesses here for more than 80 years, and previous generations of my family have served on Town Council, instilling in me a strong commitment to community service and civic responsibility.

My career and volunteer experience have prepared me to serve effectively on Council. I have worked for the Town of Tecumseh Public Works Department, the County of Essex Facility Maintenance, and spent more than 30 years in the insurance industry specializing in risk management. I also served on a local hospital board and have over 40 years as a dedicated firefighter, which included leadership roles supporting public safety and community programs.

My priorities are clear: reducing traffic congestion, supporting responsible growth, improving public safety, and ensuring responsible spending of taxpayer dollars. I believe growth must be carefully managed so that infrastructure, services, and quality of life keep pace while preserving the character and heritage that make Tecumseh special.

I want to continue serving the community that has given so much to my family and if elected, I will bring practical experience, financial accountability, transparency, and a strong understanding of municipal operations to every decision. My goal is to help build a safer, stronger, and more prosperous Tecumseh while ensuring residents' voices are heard and respected.
