Candidate Name: Zain Ahmed

Seeking Office: Trustee - English Public, Greater Essex County District School Board

I'm Zain Ahmed, a Lakeshore resident, IT professional and local entrepreneur. I'm running for Greater Essex County District School Board Trustee because I believe every student deserves the opportunity to succeed and build a bright future.

As Tecumseh and Lakeshore continue to grow, our schools need to grow with them. I will advocate for better long-term planning, needed school expansions and less reliance on portables.

I also believe education must prepare students for life beyond the classroom. Whether their future is university, college, skilled trades, technology, entrepreneurship or the workforce, students should graduate with the knowledge, practical skills and opportunities they need to succeed.

Student success will remain a priority. I will support strong academic achievement while ensuring students who need additional help have access to the resources and support they need.

Most importantly, I will listen. Parents, students and educators deserve a trustee who hears their concerns, asks the right questions and brings their voices to the board.

I'm asking for your support and your vote to bring a fresh, accountable voice to the Greater Essex County District School Board.

Strong Schools. Better Opportunities. Brighter Futures.
