**Candidate Name:** Brian Houston

**Seeking Office:** Councillor, Ward 4

---

I was first elected to Tecumseh Town Council in 2014, and it has been my honour to represent the residents of Ward 4 for over a decade of dedicated community service.

Born and raised in the rural farming community of Chatham-Kent, I have called Tecumseh home since 2003. I live here with my wife Elisa, Principal at St. André, and our two daughters, Sophia and Nadia — a family deeply rooted in the community I serve.

I hold a Bachelor of Business Administration from the University of Windsor (2002) and bring a diverse professional background to council, with a career spanning the financial and banking sector before transitioning into my current role as Sales Manager with Grand & Toy, one of Canada's leading office products and technology companies.

What began as a desire to serve my community quickly became a passion. I found purpose in being part of the decisions that shape Tecumseh — decisions that affect the streets we drive on, the safety of our neighbourhoods, and the quality of life our families enjoy every day. That passion is what has brought me back to the ballot each election since.

Looking ahead, my priorities include building on Tecumseh's strong fiscal foundation, investing in critical infrastructure, investing in our recreational spaces, and ensuring our town is planned thoughtfully for the generations to come.

My goal is straightforward: if I do my job well, four years from now Tecumseh will be better than it is today — and that is a commitment I make to every resident of Ward 4.
