Candidate Name: Antoni Tambunan

Seeking Office: Councillor, Ward 2

Hello Neighbours of Ward 2,

My name is Antoni Tambunan, and I live in Ward 2, Tecumseh. I belong to Good Shepherd Parish, where I volunteer as a Hospitality Minister.

My background is in travel, tourism, journalism and hospitality. After arriving in Windsor from Indonesia, I continued my education at St. Clair College and built my career in travel and tourism and later at Caesars Windsor. I have also developed experience in personal stock trading and have learned the importance of budgeting and responsible financial management. I was honoured with the ROSE Award from Michigan, USA, becoming the first Canadian to receive this recognition for service excellence in tourism.

I am seeking a seat on Tecumseh Town Council because I want to use my experience to serve our community and help address the concerns residents face every day.

My priorities are responsible spending and working toward no annual tax increases, improving safety on residential side streets by addressing speed limits and installing speed bumps where appropriate, and improving traffic flow during rush hours by restoring two lanes on Tecumseh Road between Shawnee Road and Lesperance Road.

I also want to see St. Clair Beach properly cleaned and algae addressed so residents can enjoy this important community space during the summer.

As Tecumseh grows, I believe development should respect existing neighbourhoods and preserve the character of our town, with careful consideration of high-density duplexes and condominiums in smaller areas.

I look forward to listening to residents, working together and serving Ward 2 and Tecumseh.
