Candidate Name: Darrin Drouillard

Seeking Office: Councillor, Ward 1

I've proudly called Tecumseh home since 1973. I grew up in Ward 1, attended St. Pius X and St. Anne's, raised my two children here, and have spent decades giving back to the community I love.

Many residents know me from the Tecumseh Legion, especially as the MC of Friday night Meat Draws. Community service has been a passion throughout my life. For more than 40 years, I've volunteered as a Scout Leader with the 35th Tecumseh Scouts, held leadership roles with Tecumseh Legion Branch 261—including serving as Chairman for the past three years—and volunteered through the Optimist Club at Corn Fest and Taste of Tecumseh. I've also coached youth soccer, supported local charitable organizations, and helped raise funds for countless community initiatives.

My commitment to Tecumseh extends to municipal service. I've served on the Rural Broadband Advisory Committee and as Chair of the Tecumseh Awards Review Committee.

At council, I've advocated for residents on issues that matter to Ward 1. I'm on record speaking out against four-units-as-of-right across Tecumseh, helping bring the issue forward and ultimately seeing it defeated. I've continued to advocate for residents through the new town-wide zoning bylaw, meeting with consultants and speaking up about lodging homes, traffic issues and increased density in established neighbourhoods.

I'm running because Ward 1 deserves a strong, independent voice at council—someone who listens, asks questions, stands up for residents, and protects the neighbourhoods we call home.

I'm ready to be that voice.
