Candidate Name: Leo Demarce

Seeking Office: Councillor, Ward 3

Tecumseh has always been home. I was born and raised here, built my life and business here, and my family has operated a business in the heart of Tecumseh since 1977, employing hundreds of people along the way.

Community involvement has also been an important part of my life. I have served as a member and former Chair of the Tecumseh Business Improvement Area and as a director of Julien's House. These experiences have given me the opportunity to work with residents, businesses and community leaders and to better understand the challenges and opportunities facing our town.

I'm seeking election to Tecumseh Town Council in Ward 3 because I want residents to have a strong voice at Town Hall, one that won't back down.

My priorities include addressing traffic concerns on Tecumseh Road, ensuring residents are heard when important decisions are made, and taking a common-sense approach to residential growth and density that considers infrastructure, traffic, parking, municipal services and neighbourhood character.

Tecumseh will continue to grow and change. I believe we can welcome that growth while respecting the qualities that have made our community a great place to live, raise a family and operate a business.

If elected, I will listen, ask questions and work constructively with residents and Council on the issues that matter to our community.

Born here. Invested here. Listening to you.
