

The Town is sharing the following biography exactly as submitted by each Candidate. We have not edited or revised grammar, spelling, punctuation, or verified any content.

Candidate Name: Tania Jobin

Seeking Office: Deputy Mayor

Tecumseh Ward 5 Councillor for 16 years making decisions for all of Tecumseh.

My husband is Paul Jobin, we have 4 children, Tigh, Emma, Eric and Bobby. We Co-Own and Co-Operate Jobin Rock Farm, Jobin Farms and JoBINS with family.

I have extensive community involvement, town events, attended St. Annes High School, past Beachgrove employee, St. Mary's park convenor, many many community events. I understand the needs of all of Tecumseh. My web site www.taniajobin.ca provides a detailed background.

As a 16-year incumbent, I have a clear understanding of municipal functions. Reading agendas, knowing our Budget and process, Lifecycle investment program, healthy relationships with area leaders, supported many safety and healthy growth initiatives.

My goal is to ensure healthy growth and development and not changing already established communities. The MRSPA area development provides support for needed growth.

I was ready to seek the seat for Deputy Mayor last term, but the timing for my family and business wasn't right. They are adults now and take on some of my duties, which frees me up to commit more time in serving the community. Having a new voice for Ward 5 and new Deputy Mayor is smart healthy succession planning.

I plan to revisit and re-engage conversations around Old Tecumseh Road upgrades and will ensure we maintain the characteristic of our already established communities.
