Candidate Name: Mike Lamoureaux

Seeking Office: Councillor, Ward 2

About Mike

Family and community are at the heart of everything I do. As a proud parent, grandparent, and small business co-owner (Jewellery by Christine and Mike), I cherish Tecumseh's vibrant spirit. My family leads an active outdoor lifestyle—kayaking, cycling, and enjoying spaces like Optimist Park and Lakewood Park with our puppy, Teddy.

Experience & Background

My career has been built on service and advocacy. I spent nine years as an Educational Assistant supporting students with diverse needs before becoming a teacher. Managing a small business alongside my fiancée has given me direct experience in fiscal responsibility, customer service, and practical problem-solving.

Key Priorities for Tecumseh

- **Protecting Natural Assets:** Safeguard and expand urban forests, parks, waterfronts, and green infrastructure for future generations.
- **Supporting Local Businesses:** Actively advocate for independent retailers, restaurants, and specialty shops.
- **Open Communication:** Remain accessible, transparent, and responsive to residents throughout my term—not just during election season.

Why I'm Running

I am running for council to bring a practical, collaborative, and hard-working approach to local government. As an educator and entrepreneur, I know how to listen to diverse perspectives and advocate effectively. I want to ensure every resident's voice is heard and that our municipal decisions directly serve Tecumseh's families, businesses, and community spaces.
